Please note that in accordance with SBCERA's request, information is shown for the period July 1, 2023 - June 30, 2024 unless noted otherwise.

1. Please note the Fund waived its management fee, so this is not applicable.

2. Other Expenses includes Operating Expenses.

3. Please note this represents paid rather than accrued carried interest.

4. Portfolio Company Fees represent fees paid by the underlying portfolio companies to the Investment Manager. For clarity, GoldenTree reimburses all fees received in connection with Board of Director services provided for underlying portfolio companies. There were no Director Services provided during the period July 1, 2023 - June 30, 2024.

5. Please note that \$ Distributions + remaining value of partnership represents total distributions since inception plus the remaining value of partnership.

6. Please note that Net IRR, Investment Multiple and Gross IRR are inception to date through June 30, 2024.

7. \$ Profit reflects realized gains/losses only and does not include any unrealized gains/losses or dividend or interest income.

No Advice Provided. ZAIS does not make any representation or warranty, expressed or implied, regarding any current or prospective investor's legal, economic, tax, Employee Retirement Income Security Act of 1974, as amended ("ERISA"), regulatory or accounting status or the treatment of such status with respect to the matters described here. Nothing contained here should be construed or is intended as legal, economic, tax, ERISA, regulatory, accounting or financial advice. We are not responsible for providing legal, economic, tax, ERISA, regulatory, accounting or financial advice to any current or prospective investor. We also do not make any representation or warranty, express or implied, regarding the accuracy, reliability, completeness, appropriateness or sufficiency for any purpose of the information here and we assume no responsibility therefor. The risk reporting practices and methods described here are for illustrative purposes only and are subject to modification. Each recipient must rely upon its own examination and analysis of matters described here and must rely upon its own representatives and professional advisors. The statements contained in this document are not intended to be used to assist the reader in making any investment decision.

Performance. In considering any performance information contained here, you should bear in mind that past or projected performance is not necessarily indicative of future results, and there can be no assurance that any investment referenced here will achieve comparable results or that return objectives, if any, will be met. No representation is made as to the reasonableness, accuracy or timeliness of the calculations, methodologies or assumptions underlying the performance information or that all assumptions used in achieving the results have been used equally or appropriately, or that other assumptions should not have been used or would have been more accurate or representative. Changes in the assumptions, selection methodologies, and characteristics would have a material impact on the performance information and other statistical information based on the performance information. In addition, due to substantial volatility in recent periods, the subjective decisions regarding those assumptions may have a disparate impact on values present here. The determination of any unrealized performance could meaningfully differ as a result. Performance variance among certain investors may occur due to various factors including timing of investments, redemptions and applicable management and performance fees. Past performance is not a guarantee, prediction, or indicator of future returns. No representation is made that any investor will or is likely to achieve results comparable to those shown or will make any profit or will be able to avoid incurring losses, which may be substantial. All investments involve risk including the loss of principal.
