Dear Administrators and Trustees,

My name is Edward Robinson. I respectfully ask for your system's vote of support to serve as your next SACRS Board of Directors- Regular member.

I have dedicated my career as a social worker to serving the elderly, disabled, and blind community within the State of California. Unfortunately, this means that I get to see firsthand what it looks like when membership is uninformed about the benefits of managing and growing their retirement investment. It is my life's mission to continue to serve our respective memberships, by supporting our County systems as your newest SACRS Officer.

I have had the opportunity to speak with many trustees, and members, including retirees in order to get a clear understanding of what my role would be if elected. Currently, as a Trustee-Elect to the Kern County Employees' Retirement Association, I exercise discretionary authority and responsibility in the administration of the pension plan, and act in accordance with the standard of care established under ERISA, that is, the Acare, skill, prudence and diligence to ensure that the plan exclusively benefits our members. In short, I am a passionate advocate for continuing education and the implementation of "best practices" in order to simplify the content to the membership that we serve, as well as support board trustees in conveying the moxie of competence that we must to plan participants and sponsors as fiduciaries.

My belief is that serving on the SACRS board of directors is not a training ground, it's a proving ground. I've already proven my commitment to selfless service as a decorated combat veteran of Operation Iraqi Freedom, Trustee Elect to KCERA, and career Social Worker. If your board elects me as your public servant, the position is not about me, but moreso about conveying at every opportunity that it is about the public to whom we serve. If elected I would cherish this responsibility by remaining accessible, and facilitating your board's success every chance I get.

I would appreciate your vote. Please distribute and/or forward the attached PDF flyer to your trustees and add this item to your next agenda for vote. If it is OK with your board, I would welcome the opportunity to introduce myself and answer any question prior to the board's vote. Please place this item on your next agenda. Thank you.

Respectfully,

Edward Robinson

TO WHOM IT MAY CONCERN

As Director of the City of Hampton's Parks, Recreation, and Leisure Services, I am writing to you in support of Mr. Edward Sean Robinson, the current Council-appointed Vice Chair of the Hampton Clean City Commission, an avid and committed HCCC Adopt-A-Spot sponsor, and an honored U.S. Army Veteran.

Through his community outreach and leadership, Edward has consistently exhibited professionalism in addition to a strong work ethic. His participation in the Adopt-A-Spot program resulted in the collection of 300 bags of litter, 19,000 cigarette ends from the City's roadways, public property, and waterways, and 442 volunteer hours donated, in addition to his work with the HCCC Board.

Since his appointment to Vice Chair in May of 2015, Edward has taken the initiative to educate Hampton citizens and students, through exhibits and the distribution of educational materials, about the need for environmental stewardship which support best practices in solid waste, litter reduction, and coastal beautification efforts.

One of HCCC's major initiatives was the creation of the anti-litter campaign called C.H.A.N.G.E., an acronym for Community Helps All New Growth Emerge, and the brainchild of Mr. Robinson. This initiative, funded by a Keep American Beautiful grant, is an effort to foster greater awareness and ownership of, and active participation in one's own community. It is the goal of C.H.A.N.G.E. to recognize four high school and college groups for their active participation in the campaign and to make this an ongoing educational platform of the Hampton Clean City Commission.

Edward's pleasant and positive attitude and his willingness to roll up his sleeves to do whatever it takes has become a mainstay for HCCC. With his relentless motivation and willingness to learn and do, he would bring a wealth of knowledge and skills in the door and would be an excellent fit for your organization. Without reservation, I highly recommend him for your program.

Please feel free to contact me if you desire further information regarding Mr. Robinson.

Respectfully,
