Section 9 Employer Acknowledgements

Employer must acknowledge by signing below that they have read and understand these statements.

Do not complete if retiree is a member of a Board or Commission.

As a participating employer, you have read and understand the following:

- Returning retiree will not work more than 960 hours during any fiscal year (July 1 through the following June 30).
- Retiree’s pay will not be less than the minimum nor more than the maximum paid to other employees performing comparable job duties.
- While SBCERA and the employer will cooperate to facilitate compliance with the terms of California Gov. Code sections 7522.56 and 31680.6, and SBCERA Board Benefits Policy No. 032, compliance is ultimately the retiree’s responsibility.
- A member who retires at an age younger than the normal retirement age must have at least a continuous 60-day break in service from the date of the member’s last day of employment prior to being reemployed while retired by any SBCERA-covered employer.
- Failure to comply with any of the returning retiree requirements may result in reinstatement from retirement. Reinstatement has serious consequences for the retiree and the employer. These consequences are effective on the date the re-employment ceased to comply with the returning retiree restrictions and include the following:
 - Suspension of member’s retirement pension benefit payments. Additionally, the member may need to repay the benefits received during the time the employment was not in compliance.
 - SBCERA will collect retirement contributions from the retiree and the employer on any pay received by the retiree during any period of unlawful re-employment.
 - Retiree will earn a new retirement benefit during the period of re-employment that was not in compliance with the law.
 - Employer and/or retiree will be subject to any other consequence provided by law.

In addition to the terms and conditions herein, the employer agrees to comply with:

- (1) California Government Code section 7522.56
- (2) California Government Code section 31680.6
- (3) SBCERA Board Benefits Policy No. 032

Annual Reporting: Employers shall report the following to SBCERA not later than 10 business days after the end of each fiscal year: a list of all SBCERA retirees working in any capacity, including: direct employment or as independent contractors contracted directly with the employer, along with the total number of hours worked for each retiree during the fiscal year.

Notice of Violation: An employer shall notify SBCERA within two business days of the discovery that a retiree has exceeded 960 hours worked in a fiscal year or the limited duration period.

Recruitment Prior to and During the Return to Work of a Retiree: An employer shall be actively recruiting for a permanent replacement for the regular position being occupied by a retiree, unless the position is temporary or seasonal.

Substantial Compliance: If genuine documentation regarding the re-employment of a retiree is submitted as required by this Policy and accepted by SBCERA as adequate at the time of the re-employment, this shall be considered conclusive evidence that the re-employment was commenced in compliance with applicable law. The CEO or designee shall notify the employer in writing of the acceptance of the documentation required by this policy.
