All SBCERA retirees returning to work in any capacity must be authorized by SBCERA using this form.

Government Code section 7522.56 provides specific employment restrictions for retirees who return to work with an employer in the same public retirement system from which they receive a benefit. These restrictions are intended to prevent the "double-dipping" of a retiree receiving a monthly SBCERA retirement benefit while also receiving compensation for employment with an SBCERA-covered employer.

Employer: Use this form to report the details of any return-to-work arrangement with an SBCERA retiree prior to the retired member commencing re-employment. Once you have completed the sections that apply, provide the form to the retiree for review and signature.

Retiree: You are required to review and sign this form prior to your commencement of re-employment with an SBCERA-covered employer.
