September 30 - October 2, 2020 | Virtual Conference

Nossaman's 2020 Public Pensions and Investments Fiduciaries' Forum

In the interest of protecting the health and safety of our Fiduciaries' Forum attendees and presenters, we've made the difficult decision to transition our 2020 Public Pensions and Investments Fiduciaries' Forum from an in-person event to a virtual one. We'll be providing our educational programming over three consecutive afternoons so you can fit as much of the program into your schedule as feasible, and we'll wrap it all up with an interactive happy hour for all attendees.

We hope that trustees, executive staff, investment officers and in-house counsel of retirement system clients will be able to join us. Given that this conference will be virtual, Nossaman will provide this year's conference at no charge, and registration is limited to attendees from Nossaman clients.

Please mark your calendars for September 30th through October 2nd and watch for your invitation to arrive soon for this year's virtual Forum.

Questions? Please contact Jessica Ku at jku@nossaman.com or 949.477.7667.
