SBCERA PROCEDURES FOR DISABILITY RETIREMENT APPLICATIONS AND FORMAL HEARINGS

These Procedures for San Bernardino County Employees' Retirement Association ("SBCERA") Disability Retirement Applications and Formal Hearings ("Rules") are enacted to provide procedures for submitting and acting upon applications for disability retirement benefits under the County Employees' Retirement Law of 1937, so that Applications can be fairly and efficiently processed. All proceedings for disability retirement shall be conducted in accordance with the following Rules.

NOTICE: An Applicant has the right to have representation by an attorney, at the Applicant's expense, or in the alternative self-represent herself or himself in an initial Hearing or Formal Hearing. For more specifics regarding representation, please see Rule 16 below.

RULE 1. GENERAL PROVISIONS

(a) Purpose

The Procedures for Disability Retirement Applications and Formal Hearings ("Procedures") of SBCERA govern the filing, proceedings, decisions, and review of decisions relating to Applications for disability retirement in accordance with the County Employees' Retirement Law of 1937 (Government Code Sections 31450 et seq.) ("CERL"), applicable case law, and SBCERA Bylaws.

Exhibit A: Page 7

(b) Applicability

Upon approval by the Board, the provisions of these Procedures shall become effective on **September 7, 2023**, shall be applicable to all Applications submitted on or after the effective date, and to all Applications that are pending and have not been set for Hearing as of the effective date of these Procedures.

(c) Definitions

In these Rules, unless the context or subject matter otherwise requires:

“Accommodation” means any appropriate and reasonable measure that would allow the Member to perform the essential functions of his or her job, based on an individualized assessment of both the job and the physical or mental limitations of the Member, as substantiated by medical documentation.

“Administrative Review” or **“Administrative Review of Initial Hearings”** an expedited review or Formal Hearing requested by an Applicant to appeal the Board’s decision made at an initial Hearing.

“Amended Application” means an Application to which changes have been made, including changing, deleting, or adding a Claimed Injury or Disease, or changing the request for Service-Connected or Nonservice-Connected Disability Retirement, including adding a basis of not being capable of Gainful Employment (Supplemental Retirement Allowance).

“Applicant” means a Member of the San Bernardino County Employees’ Retirement Association claiming disability retirement benefits under the CERL, or any person or persons who file an Application on behalf of such Member pursuant to Rule 7, or any person or persons entitled to claim such benefits as a result of the death of a member, or any attorney acting on behalf of such Member.

“Application” means an executed and filed Disability Retirement Application, which includes an Applicant’s Statement of Facts and Circumstances; a Physician’s Report, completed by an attending or forensic physician documenting each Claimed Injury or Disease as required by Rule 4; and fully executed Release(s) of Medical Information.

“Application Date” means the date an Application is deemed complete by SBCERA for processing in accordance with the Rules.

“Board” means the Board of Retirement of the San Bernardino County Employees’ Retirement Association.

“Burden of Proof” or **“Burden of Proving”** or **“Burden to Prove”** means the Applicant’s obligation to prove, by a preponderance of the evidence, each affirmative issue on which the Application depends. The Applicant bears both the initial burden of presenting evidence,

Exhibit A: Page 8

and the burden of persuasion by a preponderance of the evidence. Proof by a preponderance of the evidence means that the existence or nonexistence of a fact in dispute is more likely than not.

“**CERL**” means the County Employees’ Retirement Law of 1937 beginning at California Government Code section 31450.

“**Chief Executive Officer**” or “**CEO**” means the person appointed by the Board as its Chief Executive Officer or such persons he/she may designate to perform the responsibilities of the CEO noted herein.

“**Claimed Injury(ies) or Disease(s)**” means any physical or mental condition identified in an Application as causing an Applicant to be Permanently Incapacitated for the Performance of Duty.

“**Deposition**” means the taking of a statement of a witness or a Party, either orally or in writing, under oath before hearing.

“**Disability**” or “**Disabled**”, whether used singly or in combination with other words, means Permanent Incapacity for performance of duty.

“**Discontinuation of Service**” means the last date for which a Member earned Regular Compensation from a Participating Employer from which retirement contributions were deducted by SBCERA.

“**Dismissed with Prejudice**” means the Application is denied and the Applicant will not be allowed to refile a disability Application as to that Claimed Injury or Disease.

“**Dismissed without Prejudice**” means the Application is denied and the Applicant will be allowed to refile a disability Application as to that Claimed Injury or Disease.

“**Duty**” or “**Duties**” or “**Usual Duties**” means the essential functions of the job that the individual who holds the position must be able to perform, with or without reasonable Accommodations. Usual duties include duties commonly performed by the Applicant but do not include all duties. Duties that are remote, uncommon, or performed only occasionally are not Usual Duties and should not be considered when determining whether an Applicant is capable of performing the Usual Duties of their position.

“**Effective Date**” means the date the Member’s disability retirement allowance commences for an Application granted by the Board, which is the later of the Application Date or the day after Discontinuation of Service, unless an Earlier Effective Date is requested and granted.

“**Gainful Employment**” as defined in the SBCERA By-Laws Article IV and used herein, means the performance of any service for compensation with the exception of service as a juror or witness in a court proceeding or service as an election official.

“**Hearing**” means an administrative proceeding during which evidence, including oral testimony, is presented to a Hearing Officer, and after which the Hearing Officer prepares a

Exhibit A: Page 9

Proposed Findings of Fact and Recommended Decision.

“Hearing Officer” means a current member of the State Bar of California who conducts a Hearing.

“Independent Medical Evaluation” or **“Independent Medical Examination”** (IME) means a medical record review and examination conducted at SBCERA’s request and expense by one or more physicians with expertise in the Claimed Injury(ies) or Disease(s) identified in the Application that a Member may be required to submit to in order for SBCERA to complete its evaluation of the Application.

“Independent Medical Examiner” (IM Examiner) means a physician with expertise in the Claimed Injury(ies) or Disease(s) who is retained by SBCERA to conduct a medical record review and examination of the Member at SBCERA’s request and expense.

“Job Description” means the current class specification or job specification for a Member’s position as provided by the Participating Employer that lists the essential usual, and/or general job duties, physical requirements, minimum qualifications, required knowledge and abilities, salary, and/or and benefits.

“Medical Advisor” means the physician(s) advising the Board on medical matters for Applications.

“Member” is synonymous with Applicant. See Applicant.

“Nonservice-Connected Disability Retirement” (NSCDR) means Permanent Incapacity is not a result of a Claimed Injury or Disease arising out of Applicant’s employment. Applicant must have at least five (5) years of service credit to be considered for a Nonservice-Connected Disability Retirement. Approved service credit in a system with reciprocity does count toward the required five (5) years but purchase of prior public service and some other service purchases do not count toward the required service of five years.

“Participating Employer” means the County of San Bernardino, the Superior Court in San Bernardino County, public agency within San Bernardino County limits that provides SBCERA benefits to its eligible employees and by which the Member is employed at the time, or before, an Application is submitted to SBCERA.

“Party” or **“Parties”** means any one or more of the following: the Member who is the subject of the Application, the Applicant if other than the Member, the Participating Employer that employs or did employ the Member in the position from which it is claimed the Member is incapacitated, and the Retirement Fund.

“Permanent Incapacity” or **“Permanent Incapacitated”** or **“Permanently Incapacitated for the Performance of Duty”** means an impairment of the Applicant’s body and/or mind that causes the Applicant to be unable to perform the essential duties of the job classification last held by the Applicant or the duties of a permanent light duty position within the Applicant’s abilities and within the Applicant’s department or a successor department when it is determined by competent medical evidence that the impairment is permanent or of such

Exhibit A: Page 10

prolonged and uncertain duration as to be considered permanent. An Applicant need not be able to perform each and every duty of the Applicant's position, but if the Applicant is permanently unable to perform any essential duty of the former classification, the Applicant shall be deemed to be incapacitated. An Applicant is not Permanently Incapacitated when the Applicant unreasonably refuses available medical treatment (including surgery) or other remedial treatment if the probabilities are great that such treatment will restore the Applicant to capacity within a reasonable period of time and the risk of harm from such treatment would not deter a reasonable person from submitting to the treatment.

“Prehearing Statement” means the pleading that each Party must complete and serve on the Hearing Officer and all other Parties, and which must contain: (1) a statement of the contested issues and the position of the Party; (2) information concerning witnesses and their testimony; and (3) any documentary evidence being offered that is not included in the Application. (See Rule 13A.)

“Presumption” as used on the Application means certain illnesses or diseases specified in the CERL that, under specified conditions, are presumed to arise out of and in the course of a Safety Applicant's employment.

“Procedures” means the SBCERA Disability Retirement Procedures set forth herein and approved by the Board.

“Regular Compensation” means the regular remuneration earned by a Member from a Participating Employer including, but not limited, to regular salary or wages, pay for use of accrued vacation or sick leave, and payments pursuant to Labor Code Section 4850 during the Member's employment.

“Retirement Fund” means the San Bernardino County Employees' Retirement Association, a trust fund created and administered in accordance with the CERL solely for the benefit of the members of SBCERA and their survivors and beneficiaries.

“SBCERA Counsel” means the attorney acting as an advocate for the maintenance of the Board's initial decision, or otherwise opposing the Applicant's request for benefits, in a Formal Hearing, and shall exclude the Chief Counsel or designee whose duties involve the rendering of neutral legal advice to the Board in a particular case.

“Service” means uninterrupted employment for which deductions are made from a Member's earnable compensation from the Participating Employer for such service while he/she is a Member of the retirement association as defined by the CERL.

“Service-Connected Disability Retirement” (SCDR) means Permanent Incapacity must be a result of a Claimed Injury or Disease arising out of Applicant's employment.

“Subpoena” means an order issued by the Board Chair, SBCERA's Chief Executive Officer, an attorney representing a Party, or the Hearing Officer directed to a person that requires that person's attendance at a particular time and place to testify as a witness.

“Subpoena Duces Tecum” means a Subpoena that requires the person to whom the

Exhibit A: Page 11

Subpoena is directed to bring to Hearing any documents, hard-copy or electronic, or other things under the person's control that are pertinent to the issues presented in the disability retirement case.

“Substantially Contribute(s)” means there is a real and measurable connection between the Applicant's employment and the Claimed Injury(ies) or Disease(s).

DISCLAIMER:

“Definitions” to reference words that are not specifically defined in the Procedures shall be defined in accordance with the definition as listed in: (a) Government Code sections in the CERL adopted by SBCERA; (b) PEPRA; (c) SBCERA Amended By-Laws; (d) similar statutes and/or (e) SBCERA Board Policies. If the definition is not provided in any of the above-mentioned resources, the definition shall default to the definition as listed in the Meriam-Webster Dictionary in effect at the time of the required interpretation of the definition.

RULE 2. ELIGIBILITY

A Disability Retirement Application must be based upon permanent physical or psychological incapacity for service, or a combination of both. The Application and supporting documentation must clearly identify the exact nature of the incapacity that is the basis for the Application. A disability retirement shall not be granted except for those incapacities stated in the completed Application or Amended Application and proven to the satisfaction of the Board.

- (a) The Board of Retirement has the statutory duty to determine when a member of the retirement association is eligible for disability retirement under the standards set forth in the retirement law; therefore, SBCERA must independently investigate each

Exhibit A: Page 12

application for disability retirement, regardless of whether or not the member applying has been deemed disabled through workers' compensation or elsewhere.

- (b) Disability retirement is a benefit available to SBCERA members in the event the member becomes sick or injured and is permanently no longer able to perform the Usual Duties of the member's job. Disability retirement is not a vested or guaranteed right. Disability retirement should not be viewed as part of the normal retirement planning process; rather, it is an exception brought on by a member's inability to continue performing the Usual Duties of the job.
- (c) If a member has withdrawn or at any time withdraws retirement contributions, the member is not eligible for disability retirement. Any pending disability application or disability appeals will be dismissed, and an Applicant may not reapply if the Applicant withdraws the Applicant's contributions.
- (d) An Applicant who becomes Permanently Incapacitated from the Performance of their Usual Duties due to illness or injury is eligible to apply for a disability retirement so long as the Applicant submits a timely and complete Application with prima facie evidence included in the Physician's Report that the Applicant is Permanently Incapacitated from the Performance of their Usual Duties. If an Applicant fails to meet the eligibility requirements as established under the Rules herein, then the Applicant is not eligible to apply for a disability retirement and the Application will be dismissed in accordance with the Rule 33.

Exhibit A: Page 13

- (e) For Applicants classified as General members for purposes of retirement, an Applicant shall apply for the Supplemental Retirement Allowance at the time Applicant submits an Application or, if permitted, in accordance with amending an Application as prescribed by Rule 5(d) in order to be eligible for the benefit. In addition, if an Applicant has not requested the supplemental retirement allowance, and the Board has considered the Application and acted, a member is barred from requesting the supplemental retirement allowance thereafter.

- (f) If the member is considering applying for a Service-Connected Disability Retirement and not yet eligible to receive a service retirement, but contemplating purchasing or may have already purchased prior public service credit, please be advised that a purchase of prior public service will not affect (i.e. increase) the benefit percentage the member is eligible to receive for a Service-Connected Disability Retirement, which is, by statute, 50% of the Applicant's final average compensation.

- (g) If the member has reciprocity and is granted a disability retirement by SBCERA or by a reciprocal retirement system, then the member cannot receive a larger disability retirement benefit than the member would have received if all of the member's service had been with just one system. Accordingly, the member's disability retirement benefit may be subject to an offset in order to ensure that the total benefit received from all systems do not exceed the cap.

RULE 3A. FORMS

All forms used in proceedings under these Rules shall be approved by the CEO or designee prior to use. Whenever forms are available for use, they shall, insofar as possible,

Exhibit A: Page 14

be used by all interested Parties.

RULE 3B. FILING OF APPLICATION

The Applicant has the burden to file an Application that meets the requirements of these Procedures. A Disability Retirement Application shall be submitted in a timely manner as provided by the CERL, specifically Government Code section 31722, and Rule 5, including a prima facie showing that the Applicant is Permanently Incapacitated from the Performance of the Applicant's Usual Duties. An Applicant who applies for refund of accumulated retirement contributions shall be advised, in writing, at the time of the Application for refund of their ineligibility to apply for disability retirement after membership is terminated.

The CEO shall furnish Application forms for disability retirement benefits and a copy of these Rules to any person upon request. An Application will not be accepted for filing until all forms, as described in these Rules, have been: (1) completely filled out in accordance with these Rules and the instructions stated in the Application forms including a prima facie showing that the Applicant is Permanently Incapacitated from the Performance of the Applicant's Usual Duties; and (2) submitted to the CEO. Any attempt to file an Application or document in support thereof, as required by Rules 4 and 5 below, that is incomplete or illegible shall not be accepted by the CEO.

An Application must include the Applicant's mailing address, telephone number, and personal e-mail address. If represented by an attorney, the Applicant shall disclose the attorney's name, attorney's address, telephone number, and/or e-mail address and provide a letter of representation from the attorney. It is the responsibility of the Applicant to notify SBCERA of any change of address, telephone number, and/or personal e-mail address. The CEO will also not accept an Application for filing unless it is timely pursuant to Rule 5.

RULE 4. ADMINISTRATIVE PROCESSING

The processing of a request for disability retirement benefits requires that the Member, or other individual on behalf of the Member, first submit an Application that satisfies the requirements of Rule 5. Application forms and related materials may be obtained by contacting SBCERA by phone, mail, email, or in-person or by visiting SBCERA's website at www.sbcera.org and applying online by accessing Member's account through its secure portal *mySBCERA* at www.SBCERA.org/mySBCERA.

At the time of providing an Application to the Applicant, the CEO shall notify the Applicant of the following requirements:

(a) Disability Retirement Application.

The Applicant is required to obtain and to file an Application. Other relevant evidence that the Applicant wishes the Board to consider in support of the Application in the form of written medical reports, certificates or other documents may be submitted at the time the Application is filed. Additional relevant forms and documentation may be requested during the application process. Processing the Application will not commence until the Application is both complete and timely including a prima facie showing that the Applicant is Permanently Incapacitated from the Performance of the Applicant's Usual Duties as of Discontinuance of Service and has been properly filed as described in Rule 5 as determined by the CEO. The Application shall be in a format prescribed by SBCERA.

Disability Retirement Application includes:

(1) Applicant's Statement of Facts and Circumstances.

Applicant shall complete an Applicant's Statement of Facts and Circumstances (Application completed online serves as the Applicant's Statement of Facts & Circumstances), which sets forth the type of disability retirement being

Exhibit A: Page 16

sought, description of each Claimed Injury or Disease, dates and circumstances of each Claimed Injury or Disease, the Duties Applicant is unable to perform, Effective Date of Disability and the basis for the Effective Date, and other information pertinent to each Claimed Injury or Disease.

(2) Attending or Forensic Physician's Report.

The Applicant, at his/her own expense, shall obtain a medical examination by a duly licensed physician: limited to a medical doctor, doctor of osteopathy, doctor of podiatric medicine, dentist, or doctorate level psychologist of Applicant's choice. A Physician's Report shall be completed for each Claimed Injury or Disease. In order to be eligible to apply for a disability retirement, the Physician's Report must include a prima facie showing that the Applicant is Permanently Incapacitated from the Performance of the Applicant's Usual Duties. Without such showing, the Application shall be rejected and dismissed in accordance with Rule 33. When SBCERA notifies the Applicant of the requirements set forth in Rule 4, it shall concurrently furnish the Applicant with the following documents to be delivered by the Applicant to his/her physician as follows:

- (i) "Attending or Forensic Physician's Report" form
- (ii) Alternatively, when Applicant completes the *mySBCERA* online Application, Applicant will be required to print the Attending or Forensic Physician's Report, download a copy of Applicant's Job Description, and provide to Applicant's physician when completing the Attending or Forensic Physician's Report.

Under all circumstances, it is Applicant's responsibility to ensure the correct job description is obtained and provided to the physician. If the physician does not review the correct job

Exhibit A: Page 17

description when completing the Attending or Forensic Physician's Report, the report will be considered incomplete.

(3) Authorization for Release of Records Forms.

Applicant shall authorize the release of records, including but not limited to, release of medical reports and personnel employment records. See Rule 4(c).

Once the Application is complete and deemed timely, the date of Application shall be the date the Application is received by SBCERA unless deemed filed earlier under the CERL. Upon acceptance of the Application, SBCERA shall notify the Applicant by mail that the Application has been accepted. Within 30 (thirty) days of the date of mailing of the notice letter, the Applicant shall contact SBCERA staff to either (1) schedule a disability consultation with an SBCERA Disability Unit staff member, or (2) return the completed checklist to SBCERA with a written waiver of the consultation.

(b) Independent Medical Examinations.

The Applicant is required to report at times and places specified by the CEO for one (1) or more medical examination(s) by a physician or physicians selected by the Board or the CEO. Each Applicant shall, upon request of the CEO, submit to one or more medical examination(s) based on the accepted Claimed Injury(ies) or Disease(s). The Applicant shall submit any additional records or documents to SBCERA no later than the day before the scheduled Independent Medical Examination appointment(s). The Applicant will not send additional records and documents directly to the Independent Medical Examiner. SBCERA will forward the Applicant's additional records or documents to the Independent Medical Examiner.

Exhibit A: Page 18

(c) Release of Medical Records

(1) Each Applicant for disability shall authorize the release of all medical information relating to the course of all treatments, consultations, or evaluations with respect to any and all physical or mental Claimed Injury or Disease of Applicant and shall waive any physician-psychotherapist/patient privilege. The Applicant shall also authorize SBCERA to obtain all records potentially related to the Applicant's employment from the Participating Employer.

(2) Each Applicant for disability shall also authorize the release of all medical information relating to all Workers' Compensation claims and the award of any disability retirement benefits from other retirement systems. Authorizations and waivers shall be given on forms promulgated by SBCERA, and all information received by SBCERA shall be treated as confidential and not be released to anyone except insofar as may be necessary for the administration of the retirement system or upon an order of a court of competent jurisdiction.

(3) Applicant shall submit a complete listing of all physicians and hospitals unless CEO finds the Application can be processed without such submission.

SBCERA is interested in receiving and reviewing all competent and relevant evidence, including medical reports filed by physicians in Workers' Compensation proceedings. However, it is emphasized that in light of the different considerations involved in retirement proceedings as distinguished from Workers' Compensation proceedings, the Board and its Hearing Officer are not bound or precluded in any way by Workers' Compensation evidence, admissions, stipulations, findings or conclusions.

(d) Department's Statement of Facts and Circumstances

The CEO shall: (1) forward a "Department Statement of Facts and Circumstances" to the Applicant's employer for completion; (2) request, from the personnel services department of the Applicant's Participating Employer, copies of all claims and medical reports filed by the Applicant for Workers' Compensation benefits; and (3) obtain, from the human resources department of the Applicant's Participating Employer, verification of the Applicant's employment status, pay status, accrued vacation, and sick leave entitlement. The Department Statement of Facts and Circumstances ("Department Statement of Facts") shall include a detailed statement of all actions and efforts undertaken to find alternative employment for the employee within the department within the capacity of the employee to perform, and the results of such action and efforts, or a detailed explanation as to why such efforts were not undertaken.

A completed Department Statement of Facts shall be provided by the Participating Employer and shall accompany each Disability Retirement Application. As part of the Department's Statement of Facts, the department will certify that no reasonable Accommodations can be made to permit the Applicant to remain employed. The format shall be as prescribed by the Board or its designee, and shall include, in addition to that information required by this paragraph, such other information as may be deemed necessary and appropriate for the proper processing of the Application.

(e) Use of an Independent Medical Examiner and/or Medical Advisor

As part of the processing of an Application, SBCERA uses both an Independent Medical Examiner (IME) and Medical Advisor. Pursuant to Rule 4(b), with the exception of Rule 7B, the Applicant is required to report at times and places specified by the CEO for one (1) or more medical examination(s) by a physician or physicians selected by the Board

Exhibit A: Page 20

or the CEO. In the event the IME returns a report, recommending that (1) the member is Permanently Incapacitated; (2) the member is entitled to the requested benefit; (3) the benefit effective date is not disputed by the member, and (4) if applicable, incapable of Gainful Employment, and staff determines the report is legally sufficient to support the Application, then such case shall be presented to the Board for consideration, without sending to a Medical Advisor. However, if the IME returns a report recommending that (1) the member is not Permanently Incapacitated; or (2) finds that member is not entitled to the requested benefit; (3) the benefit effective date is disputed by the member, and/or (4) if applicable, the member is capable of Gainful Employment, then the case shall be submitted to the Medical Advisor to submit a written report advising on the medical matters of the Application.

RULE 5. TIMELY APPLICATIONS

The CEO shall accept all Applications for review subject to rejection. If it is found that an Application does not meet the requirements set forth in these Rules, the Application will be rejected. Any Application filed more than four (4) months after an Applicant's Discontinuance of Service must include a statement by the Applicant's attending physician on the Attending or Forensic Physician's Report that indicates the Applicant has been continuously physically or mentally incapacitated to perform his or her Duties since the date of the Applicant's Discontinuance of Service to the time of the Application and such statement shall be supported by copies of medical records reviewed by the physician in order to make this determination as required by Rule 5.

(a) Complete and Timely

The CEO will accept and process an Application that is complete, as determined by the CEO, and timely filed, as defined by the CERL which includes a prima facie

Exhibit A: Page 21

showing that the Applicant is Permanently Incapacitated from the Performance of the Applicant's Usual Duties as of Discontinuance of Service.

A timely Application must be submitted within the following timeframes:

1. While the Member is in Service;
 2. Within four (4) months after Discontinuation of Service;
 3. Within four (4) months after the expiration of any period during which a statutory Presumption is extended beyond the Discontinuation of Service;
- or,
4. More than four (4) months after the Discontinuation of Service if competent medical evidence substantiates that the Member has been continuously physically and/or mentally incapacitated to substantially perform the Member's Duties from Discontinuation of Service to the Application Date.

(See Rule 5(b).)

The CEO will reject any Application that is incomplete, not timely filed as defined by the CERL, or does not have a prima facie showing that the Applicant is Permanently Incapacitated as of Discontinuance of Service. In the event the Application is not timely, complete, and/or does not have a prima facie showing that the Applicant is Permanently Incapacitated and is rejected on that basis, the Applicant shall have ninety (90) days to revise the rejected application in order to maintain the date of the attempted filing as the Effective Date of the Application otherwise, the Application will be dismissed in accordance with Rule 33.

(b) Untimely Application

Greater than Four (4) months from Discontinuance of Service

(1) Additional Information Required If Greater than Four (4) Months from Discontinuance of Service - The Board has determined that Applications that are not timely filed may prejudice SBCERA's ability to provide the Applicant due process and to make a fair decision on the benefit request. Therefore, if the Application is more than four (4) months after Discontinuation of Service or more than four (4) months after the expiration of any period during which a statutory Presumption is extended beyond the Discontinuation of Service, then the Applicant must submit a statement from a treating or examining physician that the Applicant has been continuously incapacitated from the date of the Discontinuance of Service.

Where an Applicant has submitted an Application that is 18 months after Discontinuation of Service, SBCERA may perform a preliminary review to determine if an Applicant has been continuously incapacitated from the date of the Discontinuance of Service and may require the following additional information.

(i) Option 1: The Applicant must include with the Application the following:

- A statement by the Applicant detailing the job Duties he or she performed on their last day worked and whether the Applicant was capable for performing the Applicant's Usual Duties as of the last day worked.
- A statement(s) by the Applicant's attending (treating) physician(s) on the Attending Physician's Report(s) indicating

Exhibit A: Page 23

that the Applicant has been continuously physically or mentally incapacitated to perform his or her Duties during the period of time from the Discontinuance of Service to the date the Application was filed. The entire period of time from the Discontinuance of Service to the date the Application was filed must be covered by one or more Attending Physician's Reports.

- Copies of all medical records that the physician(s) relied upon to render such an opinion.

(ii) Option 2: The Applicant must include with the Application the following:

- A statement by the Applicant detailing the job Duties he or she performed on their last day worked and whether the Applicant was capable for performing the Applicant's Usual Duties as of the last day worked.
- A statement by a forensic (examining) physician or attending physician, who started treating the Applicant more than four (4) months after the date of Discontinuance of Service. The physician(s) shall attest that he or she has examined the Applicant and reviewed the Applicant's medical records covering the period of time from the day after the Applicant's Discontinuance of Service to the date the Application was filed; and, that the Applicant has been continuously physically or mentally incapacitated to perform his or her Duties

Exhibit A: Page 24

throughout the period of time from the Discontinuance of Service to the date the Application was filed.

- Copies of all medical records that the physician(s) relied upon to render such an opinion.

(c) **Lack of Information**

If the information in Option 1 or Option 2 is provided, the Application is otherwise complete pursuant to the Rules, and, in the determination of the CEO, the delay in filing an Application or lack of information provided in the Application has the potential to prejudice the Board's ability to provide due process and to make a fair decision on the benefit request, then the Application will be rejected.

(d) **Amending An Application**

After the filing of the original Application, an Applicant may amend an Application for purposes of changing, deleting, or adding a Claimed Injury or Disease, to change the request for Service-Connected Disability Retirement or Nonservice-Connected Disability Retirement, to change the request for Effective Date adjustment, or to change request for supplemental disability retirement allowance, by submitting an Amended Application at any time within ninety (90) calendar days of the date SBCERA issues notice of acceptance of the original Disability Retirement Application for processing as complete (*Procedures* Rule 5). The amendment to the Application must include a Physician's Report for each new or different Claimed Injury or Disease.

No Amended Application submitted more than ninety (90) calendar days after the date of acceptance of the original Application for processing shall be accepted by SBCERA, except that the Applicant may appeal to the Board. The Applicant has the

Exhibit A: Page 25

Burden of Proof to show good cause as to why the Applicant could not, with the exercise of reasonable diligence, have included the substance of the Amended Application on the Application Date of the original Application. Thus, Applicant shall submit a statement of good cause at the time Applicant makes a request to appeal to the CEO.

If the CEO determines that there is good cause for the late submission, the Amended Application will be accepted so long as other requirements are met as prescribed herein. Otherwise, the Amended Application will be rejected by the CEO, with a recommendation to the Board at the next regularly scheduled meeting to Dismiss the Application with Prejudice, and the original Application will be processed without amendment.

In any case, when SBCERA accepts an Amended Application, the Amended Application shall be processed in accordance with these Procedures as if it were submitted on the original Application Date.

(e) **Rejecting Applications**

If the CEO has rejected the Application or Amended Application pursuant to subsections (b) or (c) above or under any of the Rules specified herein and the Applicant objects to the rejection, then the matter will be referred to an Administrative Review, specifically a Formal Hearing (Rule 10A (b)(2)) in accordance with the Formal Hearing Rules herein, except that the Hearing on the limited issue of timeliness shall be completed within 180 days of referral. The Hearing Officer's recommendation shall be submitted to the Board in accordance with Rule 30.

RULE 6. TERMINATED FOR CAUSE OR RESIGNED IN LIEU OF TERMINATION

A Disability Retirement Application shall be referred to a formal hearing where any of the following circumstances apply:

- (1) When an Applicant is terminated for cause by the Participating Employer;
- (2) ~~or e~~Where the Applicant enters into a settlement agreement with the Participating Employer to resign in lieu of termination;
- (3) Where there is a settlement agreement but such agreement is silent as to termination and the record shows that the actions of the employee would have been tantamount to a dismissal;
- (4) ~~, Where the Participating Employer serves a notice of intent to terminate,~~
- (5) ~~Where the employee requests a Skelly hearing or one is that is equivalent, but then resigns prior to the hearing; or~~
- (6) Where the employee is placed on administrative leave with the employer's intent to separate the employee from service.

~~s~~Such Applicant is not eligible to apply for a disability retirement and the Application shall be rejected for processing.

In such cases, the CEO shall refer the matter to an Administrative Review subject to the Rules governing a Formal Hearing.

The issues to be addressed during the Administrative Review are:

- (1) Is there substantial evidence of a mature claim for Disability prior to the termination for cause or resignation in lieu of termination?
- (2) Is there substantial evidence that the termination for cause or resignation in lieu of termination was related to any mature claim for Disability?

The Applicant shall authorize the release of records in accordance to the Rules. The

procedural aspects of this Administrative Review shall be governed by Rule 11, Rule 12, Rule 13, and include all other Rules governing Formal Hearings under these Rules.

RULE 7A. APPLICATION FILED ON BEHALF OF AN APPLICANT

An Application may be filed on behalf of an Applicant by any other person, including a spouse, surviving spouse, the head of the department or office employing the Applicant or as permitted by law.

The person filing on behalf of the Applicant has the Burden of Proving that the Applicant is Permanently Incapacitated for the Performance of his or her job Duties. Thereafter, the Applicant has the Burden of Proving job causation. The Procedures governing Applications made by persons other than the Applicant and on behalf of the Applicant are set forth herein. For purposes of this Rule, "Applicant" shall mean the SBCERA member on whose behalf disability retirement benefits are claimed by the person filing the Application.

(a) Upon receipt of an Application filed on behalf of an Applicant by any person other than the Applicant, the CEO shall, within five (5) calendar days, mail a copy of the Application to the Applicant at the Applicant's home address on file with SBCERA. The CEO shall include with the Application a statement advising the Applicant of the Procedures that will be followed in processing the Application and further advising the Applicant of his or her rights, including:

(1) The right to provide medical and other evidence contesting the assertion that the Applicant is Permanently Incapacitated for the Performance of his or her job Duties; and

(2) The right to provide medical and other evidence showing that, if the Board determines that the Applicant is Permanently Incapacitated, the Disability

Exhibit A: Page 28

arose out of and in the course of his or her job Duties. The Applicant shall be advised that it is his or her Burden to Prove job causation.

(3) If a Physician's Report is received from any person other than the Applicant, SBCERA will forward a copy of the Physician's Report to the Applicant unless the report falls under the guidelines of cautionary admonition.

The CEO may require the Applicant to be examined by an Independent Medical Examiner appointed by SBCERA; provided, however, that in the event that the Applicant refuses or fails to be examined, the Board may make its determination based on those medical reports provided by the person filing on behalf of the Applicant and/or the Applicant. After consideration of the available evidence, the Board may deny the Application and Dismiss with Prejudice in accordance with Rule 33.

(b) It shall be the responsibility of the person filing the Application to provide to the Board medical reports supporting the Application. At the request of the person filing the Application, the Secretary to the Board shall issue Subpoenas or Subpoena Duces Tecum pursuant to Government Code section 31535 and Rule 14.

(c) The Applicant on whose behalf benefits are claimed shall be advised of the time and place of the Board's Hearing on the Application and of their right to appear and be heard. The person filing the Application, or his/her designee must be present, if requested, at the meeting at which the Application will be considered by the Board. Upon making a finding that the Applicant has been advised of the time and place of the Hearing and of his or her right to present evidence showing continued capacity to perform the essential Duties of his or her job, the Board may proceed with the Hearing in the absence of the Applicant and may either approve or deny the award of a disability benefit to the Applicant. If a

disability benefit is awarded, the Board will determine it to be either Service-Connected Disability Retirement or Nonservice-Connected Disability Retirement. Hearings on Applications filed pursuant to this Rule shall be held in closed session unless the Applicant requests a public Hearing.

(d) Within five (5) calendar days after the Board action on the Application, the CEO shall notify the person filing the Application and the Applicant on whose behalf disability retirement benefits are claimed of the Board action. Both the person filing the Application and the Applicant shall have the right to request a Hearing as provided in Rule 11.

RULE 7B. SURVIVOR DEATH BENEFITS

(a) An eligible surviving spouse or guardian of an eligible surviving minor child(ren) may be entitled to receive a continuance of a Service-Connected Disability Retirement benefit in the event a Member dies prior to retirement as the result of an injury or disease arising out of and in the course of employment (e.g., killed in the line of duty). The eligible surviving spouse or guardian of an eligible surviving minor child(ren) will not be required to complete an Application, but rather select the appropriate death benefit. In all cases, the Department shall furnish a Statement of Facts detailing the circumstances of the Applicant's death and stating the death was a result of the Member's employment. Once in receipt of the Department's Statement of Facts, the case shall be presented to the Board for consideration, within 60 days from the date of the Member's death.

(b) If the Member dies prior to retirement of a non-service connected disease or injury or the Member has a terminal disease or a condition that cannot be cured and is likely to lead to Member's death within six (6) months or less of the date of Application, and the Applicant is unlikely to return to the Applicant's Usual Duties, SBCERA staff shall accept an

Exhibit A: Page 30

Application filed on behalf of the Member, collect relevant medical records, and submit the Application and records to SBCERA's Medical Advisor for a written report regarding the issues of disability retirement. An Independent Medical Examination shall not be required in this circumstance except when the death is due to cancer or blood borne disease and the Applicant is eligible for coverage under a Presumption. Once in receipt of the Medical Advisor's report, the case shall be presented to the Board for consideration.

RULE 7B.1 CHRONIC OR FATAL INJURY/DISEASE RE DISABILITY RETIREMENT

Where an Applicant alleges an injury or chronic disease that is incurable and prevents the Applicant from performing the Applicant's usual duties, and the Applicant submits a complete and timely application, then such Application shall be referred to an SBCERA Medical Advisor for a written report regarding the issues of disability retirement. If the Medical Advisor is unable to reach a conclusion regarding the issues of disability, specifically (i) permanent incapacity, (ii) service connection, or (iii) gainful employment and in the opinion of the SBCERA Medical Advisor that such Application shall be referred to an Independent Medical Examiner (IME), then staff shall inform the Applicant that the Application shall be referred to an IME. Once the Application is referred to an IME, Applicant is required to comply with Rule 4(b).

RULE 8. DISABILITY RETIREMENT CONSULTATION

Applicant is required to report at the time and place specified by SBCERA for an interview, in person, by telephone, or video conferencing, to review the Application. The Applicant may waive, in writing, this requirement. Applicant is required to return within five (5) business days if sent via fax, in-person drop-off, or uploaded into secure mySBCERA portal, or ten (10) business days if sent via U.S. Mail, after the consultation, the Consultation

Checklist initialed and signed otherwise, such action shall be treated as non-cooperation.

RULE 9. STAFF RECOMMENDATION

After receipt and review of all requested documents, the CEO shall make a written staff recommendation to the Board. A copy of the recommendation shall be mailed to the Applicant not less than five (5) calendar days prior to the date of Hearing.

If the Applicant or the Applicant's attorney does not appear at the initial Hearing in reliance on the recommendation and the recommendation is not followed by the Board, the Applicant may have the Application reconsidered by the Board at its next regular meeting by requesting such reconsideration in writing within five (5) calendar days of the date of mailing of notice of the original decision.

RULE 10. BOARD ADMINISTRATIVE ACTION

(a) The Board shall make the following four determinations, based on the evidence presented.

(1) Determination of whether the Applicant is Permanently Incapacitated for the Performance of the Applicant's Usual Duties, and, if so, the Claimed Injury or Disease that gives rise to the Permanent Incapacity. If Permanent Incapacity is not found, the Application shall be denied.

(2) Determination of whether the incapacity is a result of Claimed Injury or Disease arising out of and in the course of the Applicant's employment for the Participating Employer.

(3) Determination of whether the Disability is such that the Applicant is incapable of Gainful Employment. This determination shall be made only for "General" members.

Exhibit A: Page 32

(4) Determination of the Effective Date of disability retirement.

(5) Referral to a Formal Hearing under Rule 11 for a fact-finding administrative review to obtain the facts necessary for the Board to make a determination in regard to the Applicant's request for a disability retirement. A hearing officer shall be assigned by staff to the matter. The Hearing Officer's recommendation shall be submitted to the Board in accordance with Rule 30.

(b) **Time Requirement for Presentation to the Board.** The Applicant shall have the opportunity to be heard by the Board at the initial Hearing to present his/her case including any evidence already considered by the Independent Medical Examiner, if applicable, and the Medical Advisor.

Under this Rule, the Applicant shall have not more than three (3) minutes to present and provide comment to the Board. The time requirement does not include any response to the Board during the Board's questioning of the Applicant. The Board Chair has the discretion to increase the time requirement beyond the three (3) minutes; however, under no circumstances shall the time requirement exceed ten (10) minutes.

(c) An appeal for a request for Administrative Review must be made not later than the thirtieth (30th) day following the initial decision of the Board. An initial decision of the Board shall be final on the thirty-first (31st) day after it is made, except when the person filing on behalf of Applicant or Applicant requests Administrative Review, whether expedited review or Formal Hearing before the initial Hearing decision becomes final. If the person filing on behalf of Applicant or Applicant makes a timely request for Administrative Review the initial decision shall never become final and shall instead be void and of no force or effect unless the Administrative Review is dismissed pursuant to Rule 33 or due to the person filing on behalf of Applicant or Applicant's withdrawal from the Administrative Review

process.

(d) Within three (3) calendar days after the initial Board action on the Application, the CEO shall notify the Applicant at the address shown in the Application of the Board action, and, if the Board denies in whole or part any of the benefits sought in the Application, the notice shall advise the Applicant of his/her right to request an appeal as provided in these Rules.

(e) Upon receipt of a request for Administrative Review, staff shall either recommend granting the benefit or schedule an Administration Review.

RULE 10A ADMINISTRATIVE REVIEW OF INITIAL HEARINGS

(a) Introduction.

The person filing on behalf of Applicant or the Applicant may seek Administrative Review, as defined in Rule 1(a), of disability retirement and supplemental disability retirement decisions made by the Board at an initial Hearing by filing a request for Administrative Review with the Board not later than the thirtieth (30th) day following the initial decision of the Board. Such request must be in writing and contain a statement indicating the retirement benefit(s) the person filing on behalf of Applicant or the Applicant is seeking to obtain through the Administrative Review process. Notice of the decision the Board made at Hearing, together with notice of the Applicant's right to seek Administrative Review, shall be addressed to the Applicant's last known address and placed in the U.S. mail, postage prepaid, not later than five (5) working days following the decision of the Board. If the Applicant is represented by an attorney, a copy of the notice shall be sent to the office of the attorney.

(b) Types of Administrative Review

(1) Expedited Administrative Review (Rule 11A)

An Applicant may request an "Expedited Administrative Review" as described in Rule 11A in lieu of the Formal Hearing process described in these Rules. An election in writing by an Applicant to apply for the "Expedited Administrative Review" is an irrevocable waiver of the Applicant's right to the Formal Hearing process described in Rule 11. The goal of this program is to complete the Administrative Review process in less than six months. Whether or not to choose the "Expedited Administrative Review" is a decision of the Applicant. It may be appropriate in cases where the Applicant wants to avoid the lengthy

Exhibit A: Page 35

Formal Hearing process described in Rule 11, the legal issues are not complicated, a fair and just determination by an independent Hearing Officer can be reached through a careful review of records and documents, and there is no need for the confrontational process of cross-examination of live witnesses.

(2) Formal Hearing (Rule 11)

A Formal Hearing is a complete Hearing, which includes presentation of testimony, evidence, and arguments. A Hearing Officer is appointed, as prescribed in Rule 11, to consider the relevant evidence to make a recommendation to the Board regarding the person filing on behalf of Applicant or Applicant's benefit request.

(3) Referred Benefit Appeal (Benefit Policy No. 025)

The Rules for Administrative Review of Initial Hearings located in Rules 10A and following shall also be applicable to matters in which the Board of Retirement refers an Applicant benefit determination to an administrative Hearing pursuant to SBCERA Benefits Policy 025 – Requests and Appeals for Pension Benefits. Benefit determinations shall include, but not be limited to, final compensation calculations, inclusion of certain pay items in final compensation, service credit calculations, service purchase eligibility, survivor benefit eligibility, and retirement tier placement.

RULE 11. FORMAL HEARINGS

When requested by an Applicant or referral from the Board for fact-finding, Formal Hearings shall be scheduled and conducted in the following manner:

(a) **Request by Applicant.** An Applicant may seek Administrative Review of disability retirement and supplemental disability retirement decisions made by the Board at an initial Hearing by filing a request for Administrative Review with the Board not later than the thirtieth (30th) day following the decision of the Board. Such request must be in writing and contain a statement indicating the retirement benefit(s) which the person filing on behalf of Applicant or the Applicant is seeking to obtain through the Administrative Review process. Notice of the decision of the Board made at an initial Hearing, together with notice of the Applicant's right to seek Administrative Review, shall be addressed to the Applicant's last known address and placed in the U.S. mail, postage prepaid, not later than five (5) calendar days following the decision of the Board.

(b) **Selection of Hearing Officer.** The Board will designate a panel of Hearing Officers at the beginning of each calendar year. New cases are assigned to the Hearing Officers on a rotational basis, except for a referral to a Fact-Finding Hearing where staff shall assign a hearing officer to the matter. When a timely request for a Hearing is filed by an Applicant and the case is ready for Formal Hearing as determined by SBCERA's Counsel, written notice of the Hearing Officer assignment, from the predetermined panel, shall be sent by the Board, to SBCERA's Counsel and to the Applicant's attorney, or the Applicant if not represented by counsel. The Applicant and SBCERA's Counsel shall have ten (10) calendar days from the date of mailing of the notice of the Hearing Officer assignment to exercise, in writing, a peremptory challenge. If either Party exercises its challenge, the Hearing Officer shall be placed at the back of the rotation and the Hearing Officer whose

turn is next shall be assigned the case. The other Party will then have ten (10) calendar days from the date of mailing of the notice of the new assignment to exercise, in writing, a peremptory challenge. Only one peremptory challenge may be exercised by a Party. When the Hearing Officer selection is finally made the Hearing Officer will be notified of his/her selection. The Hearing Officer will then be placed in the back of the queue.

This section does not apply to cases that are returned by a Hearing Officer to the Board for failure to complete the record as described below in subparagraph (c). Selection of Hearing Officers in the latter situation will be made at the discretion of the Board.

(c) **Setting of Hearing Date**. The Hearing Officer has 180 calendar days from the date of notification of selection as Hearing Officer to hold and complete the Formal Hearing. This means that the Hearing Officer has 180 days to receive all of the evidence, both testimonial and documentary, and close the record. The Hearing Officer's jurisdiction to hold a Hearing and complete the record expires 180 days after notification of selection as Hearing Officer, and the case will be returned to the Board for reassignment to another Hearing Officer or Hearing by the Board itself. The Hearing Officer will coordinate the Hearing date with all Parties and set the dates when the Prehearing Statements are due, consistent with Rules 12 and 13, and set the cut-off date for requests to Subpoena witnesses, consistent with Rule 14. The CEO is authorized to extend the hearing officer's jurisdiction.

(d) **Continuances**. Once a Hearing date has been set by the Hearing Officer, any request for a continuance must be in writing to the Hearing Officer. All written requests shall be sent to the Board, which will forward them on to the Hearing Officer and to opposing counsel, or, if no opposing counsel, then to the opposing Party. Even if a continuance is granted, the Hearing Officer's jurisdiction to hear and complete the case will not extend past

Exhibit A: Page 38

180 days from the notification of selection as Hearing Officer. A ruling on a request for continuance by a Hearing Officer is not subject to further review or appeal.

(e) **Reporter.** The proceedings of all Hearings shall be reported by a stenographic reporter who is duly licensed as a court reporter by the Court Reporters Board of California. SBCERA will bear the cost of the court reporter's initial fees to report the proceedings. The stenographic report of the proceedings shall be transcribed and SBCERA shall bear the cost of the transcription.

(f) **Interpreters.** If an Applicant or witness does not speak or understand English sufficiently to participate in the proceedings or provide testimony, an interpreter certified to provide interpretation services in administrative Hearings shall be provided to that Applicant or witness at SBCERA's expense. An Applicant or witness who requires interpreting services shall provide SBCERA with reasonable notice of the need for an interpreter and the language the Applicant or witness will use during the proceedings so that SBCERA has sufficient time to locate and contract with an interpreter. All interpreters in SBCERA Hearings shall be certified to provide interpreting services in administrative Hearings pursuant to Government Code section 11435.30. The interpreter shall not have had any involvement in the issues of the case prior to the Hearing and may not be an employee, family member, friend, or acquaintance of the Applicant, member, or witness.

(g) **Representation by Counsel.** An Applicant shall be entitled to be represented by legal counsel at any Hearing. In order to appear in an SBCERA Hearing, counsel must be an attorney licensed by and in good standing with the California State Bar. Before an attorney appears on behalf of an Applicant, a written authorization from the Applicant shall be filed with the CEO. After an attorney appears on behalf of an Applicant pursuant to the written authorization of representation, all notices and evidence shall

Exhibit A: Page 39

thereafter be served upon such counsel. Substitution or dismissal of attorney shall be made in the manner provided in sections 284, 285 and 286 of the Code of Civil Procedure.

(h) **De Novo Hearings**. Hearings shall be conducted de novo before a Hearing Officer appointed by the Board. The Board's initial decision shall have no force or effect in the Hearing.

[Remainder of Page Intentionally Left Blank]

RULE 11A. EXPEDITED ADMINISTRATIVE REVIEW

(a) **Request by Applicant.** An Applicant may seek an "Expedited Administrative Review" of the disability and supplemental disability retirement decisions made by the Board at an initial Hearing by filing a "Request for an Expedited Administrative Review and Waiver of Formal Hearing" with the Board not later than the thirtieth (30th) day from the date of the mailing of the notice of the decision of the Board. Such request and waiver must be in writing and contain a statement indicating the retirement benefit(s) which person filing on behalf of Applicant or the Applicant is seeking to obtain through the "Expedited Administrative Review" process.

(b) **Selection of Hearing Officer.** The Board will designate a panel of Hearing Officers at the beginning of each calendar year. New cases are assigned to Hearing Officers on a rotating basis. When an Applicant elects the "Expedited Administrative Review" under this Rule and waives the longer administrative review process under Rule 11, written notice of the Hearing Officer assignment from the predetermined panel shall be sent by SBCERA to the Applicant. Under this expedited Hearing process, the Applicant does not have a right to file a peremptory challenge of the assigned Hearing Officer. The Hearing Officer has ~~420~~180 calendar days from the date of notification of selection as hearing officer to complete the Expedited Administrative Review proceeding. The CEO is authorized to extend the hearing officer's jurisdiction.

(c) **Submission of Records.** Concurrent with written notice of the Hearing Officer assignment, the Applicant will be given written notice that all records and documents must be submitted to the Hearing Officer for evaluation no later than ~~thirty~~ ~~(30)~~sixty (60) days from the date of mailing of the notice of the Hearing Officer assignment. SBCERA will mail a copy of records ~~and documents~~ in SBCERA's

Exhibit A: Page 41

possession ~~to the Applicant~~, including a Prehearing Statement which shall contain the following: (a) A statement of the contested issues; (b) a summary of all documentary evidence that SBCERA will offer into evidence, and written arguments to the Applicant and to the Hearing Officer no later than ~~fifteen (15)~~ thirty (30) days after the Hearing Officer selection has been made. The Applicant will mail any additional records or documents, including a Pre-Hearing Statement, as described above so as to reach SBCERA no later than ~~thirty (30)~~ sixty (60) days after the Hearing Officer assignment has been made. The Applicant will not send additional records and documents directly to the Hearing Officer. SBCERA will forward the Applicant's additional records or documents on to the Hearing Officer. Should applicant submit additional records or documents to the Board beyond the ~~30~~ 60th-day of the assignment of the Hearing Officer, the Applicant shall be required to provide to the Board a statement showing unusually good cause as to the reason for the delay of submission of the documents. In this instance, Applicant's statement regarding unusually good cause will be provided to the Hearing Officer for consideration. The Hearing Officer shall issue a Minute Order within five (5) days of receipt of the request and render a decision determining if Applicant met the threshold of good cause and, if applicable, provide a deadline as to the submission of such additional evidence. Absent a showing of unusually good cause, any records or documents received by SBCERA more than ~~thirty (30)~~ sixty (60) days after the Hearing Officer assignment will not be forwarded to the Hearing Officer and the Applicant waives any consideration of this evidence by the Hearing Officer. For purposes of this Rule, "unusually good cause" means that the documents did not exist prior to deadline for submission or the Applicant, through no fault of his or her own, could not obtain the documents prior to the deadline for submission despite evidence of repeated good faith attempts to obtain the documents.

Exhibit A: Page 42

(d) **Evidence Considered by the Hearing Officer.** The Applicant and SBCERA may submit, pursuant to sub-section (c) above, any relevant evidence to the Hearing Officer if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Relevant evidence includes, but is not limited to: medical records, medical reports prepared by treating and examining physicians, relevant affidavits from witnesses, any documents that were before the Board when it made its initial decision, and relevant employee personnel records. No live testimony will be taken by the Hearing Officer in the "Expedited Administrative Review." ~~The Applicant may and is encouraged to submit his or her own written affidavit or declaration.~~ Neither the Applicant nor SBCERA's Counsel will appear before the Hearing Officer during the "Expedited Administrative Review". ~~While an Applicant may obtain help from an attorney in order to prepare an affidavit or declaration, the Hearing Officer will not consider any legal briefs, written arguments or summaries of evidence prepared by an attorney representing the Applicant or SBCERA.~~

(e) **Hearing Officer's Findings and Recommendations.** The Hearing Officer will address only those issues raised by the Applicant and SBCERA. The Hearing Officer will submit his or her findings and recommendations to the Board no later than ~~sixty (60)~~ 120 days after the date of the Hearing Officer assignment. In the event the Hearing Officer requests an extension to submit his or her recommendation, CEO or designee may approve such extension, but the extension must not be longer than thirty (30) days. The Board will serve the findings and recommendations on the Applicant. The Applicant has ten (10) calendar days, from the date of mailing of the proposed findings and

Exhibit A: Page 43

recommendations to submit written objections to the Board.

(f) **Action by the Board.** Upon receipt of the Proposed Findings of Fact and Recommended Decision, the Board may:

(1) Approve and adopt the Proposed Findings of Facts and Recommended Decision of the Hearing Officer; or

(2) Require a summary of all the evidence, plus all other evidence received by the Hearing Officer. Upon receipt thereof, the Board shall take such action as in its opinion is indicated by such evidence; or

(3) Refer the matter back with or without instructions to the Hearing Officer for further proceedings; or

(4) Set the matter for Hearing before itself. At such Hearing, the Board shall hear and decide the matter as if it had not been referred to the Hearing Officer.

RULE 12. FORMAL HEARING - BOARD OF RETIREMENT'S PREHEARING STATEMENT

The SBCERA's Counsel shall serve upon the Hearing Officer and the Applicant, or Applicant's counsel, if appropriate, a Prehearing Statement no later than sixty (60) calendar days before the date of the Hearing (postmarked). The Prehearing Statement shall contain the following:

- (a) A statement of the contested issues;
- (b) A list and copies of all documentary evidence that SBCERA will offer into evidence;
- (c) The names, business addresses and telephone numbers of any lay witnesses whose testimony SBCERA intends to present at the Hearing, and nature of the expected testimony of each witness;

- (e) The names of any medical witnesses SBCERA's Counsel intends to depose, consistent with Rule 18.

If Applicant's Prehearing Statement, as described below in Rule 13A, raises issues or identifies witnesses not in SBCERA's Counsel's Prehearing Statement, SBCERA's Counsel shall then serve upon the Hearing Officer and the Applicant a supplemental Prehearing Statement no later than thirty (30) days before the Hearing (postmarked) in the format prescribed above.

A request for an extension of time to submit a Prehearing Statement or a supplemental Prehearing Statement should only be granted upon a showing of good cause

Exhibit A: Page 45

and should be granted for no more than five (5) calendar days. A request for an extension of time should be served on the Hearing Officer and opposing counsel, or, if no counsel, then served on the opposing Party.

RULE 13A. FORMAL HEARING - APPLICANT'S PREHEARING STATEMENT

The Applicant shall serve upon the Hearing Officer and SBCERA's Counsel a Prehearing Statement no later than forty-five (45) days before the Hearing (postmarked).

The Prehearing Statement shall contain the following:

- (a) A statement of the contested issues;
- (b) A list and copies of all documentary evidence that Applicant will offer into evidence;

Exhibit A: Page 46

administrative appeal process that the incapacity is the result of an injury or disease not listed on the Application submitted to the Board, or if listed, upon which the Applicant submitted no medical evidence for the Board's review when it considered the Application, the administrative appeal shall be suspended, the allegation shall be treated as a preliminary amendment to the Application subject to the filing of an Amended Application, which meets the complete and timely requirements set forth herein. The Hearing Officer's jurisdiction shall terminate upon suspension of the administrative appeal. If the Board does not grant the disability retirement based on the new condition or evidence, the matter will be referred back to a Formal Hearing immediately with a new Hearing Officer assigned.

The Applicant shall file an amendment to the initial Application, including a Physician's Report within ninety (90) days of the notice of suspension of the administrative appeal. If no amendment is filed within the time prescribed, SBCERA shall notify the Applicant, within ten (10) days after the ninety (90) day period described above that the initial Application is being returned to the Formal Hearing process and a new Hearing Officer shall be assigned consistent with Rule 11.

In all other respects an Application returned to the Board shall be processed in accordance with these Rules, as if it were a new Application consistent with the scheduling and Prehearing Statement requirements of Rules 11, 12, 13 and 14.

RULE 14. FORMAL HEARING - SUBPOENA CUT-OFF DATE

Any Party may request that SBCERA issue a Subpoena for a witness, but such requests must be made in writing, consistent with Rule 24. Subpoenas shall be served upon the prospective witness no later than fifteen (15) calendar days before the Hearing. The Party subpoenaing the witness is responsible for the cost of service and all witness fees. Any disputes regarding witness fees shall be adjudicated in superior court and not in the SBCERA administrative review venue.

RULE 15. FORMAL HEARING - TIME AND PLACE OF HEARINGS

All Hearings shall be held in-person at SBCERA offices located at 348 W. Hospitality Lane, City of San Bernardino, State of California, unless SBCERA has determined that a video conference Hearing should be held in lieu of an in-person meeting or as agreed to by the Parties and the Hearing Officer that the location should be changed.

Unless the Parties and the Hearing Officer agree otherwise, a Hearing shall be deemed set for one full day (i.e., a morning session and an afternoon session). Morning sessions shall begin at 9:30 A.M. and end at 12:00 noon, and afternoon sessions shall begin at 1:30 P.M. and end at 5:00 P.M. Hearings that are not concluded within either the full day (i.e., a morning and an afternoon) session, or whatever other time period to which there has been a stipulation, shall be continued to the next agreeable hearing date. The continued date must be within the 180-day jurisdiction of the Hearing Officer. When the hearing date and time have been selected, SBCERA staff shall arrange for a court reporter and use of a hearing room (either in-person or video conference hearing) and shall notify the Parties and the Hearing Officer in writing of the time and place of the Hearing. In the instance the Hearing is held via video conference, SBCERA staff shall arrange the video conference set-up and provide the Parties with the log-in information to participate. In the event it is impracticable to continue the date within the 180-day jurisdiction of the Hearing Officer, then a new Hearing Officer shall be assigned, and all issues shall be heard anew.

RULE 16. INITIAL HEARING OR FORMAL HEARING – REPRESENTATION

Under these Rules, there is no requirement for an Applicant to be represented by an attorney of his or her selection. An Applicant has the right to self-represent herself or himself in an initial Hearing or Formal Hearing. Under no circumstances shall a person, who is not the Applicant nor an attorney, represent the Applicant at the initial Hearing or Formal Hearing. However, a person with a Power of Attorney and/or Conservatorship may assist the Applicant in completing any required forms during the proceedings.

Representation by an attorney, is at the expense of the Applicant. Before an attorney appears on behalf of a Member or Applicant, a written notice of representation shall be submitted to SBCERA and served on all Parties. After a written notice of representation is received by SBCERA and served on all Parties, all future notices, pleadings, and correspondence shall be served upon that attorney, unless a Notice of Withdrawal is submitted to SBCERA and served on all Parties.

Attorney, for purposes of representing the Applicant in an initial Hearing or Formal Hearing, shall be an active member of the California State Bar, in good standing. The Retirement Fund is entitled to be represented by Counsel at all times related to matters in these Procedures.

RULE 17. FORMAL HEARING - WRITTEN MEDICAL REPORTS AS EVIDENCE

(a) **Statement of Policy**: It is policy of the Board that production of medical evidence shall be in the form of written medical reports attached to the Parties' Prehearing Statements. A written medical report bearing the physical or electronic signature of the medical witness shall be admissible in evidence as the author's direct testimony and shall support findings made by the Board or the Hearing Officer. Such medical reports shall not

be inadmissible on the basis that they constitute hearsay, but each Party shall have the right to cross-examine the authors of medical reports. In addition, such medical reports, when offered as expert opinions, shall not be inadmissible on the basis that the author of the medical report was called as a percipient witness and not as an expert witness and did not attend the Hearing.

(b) **"Medical Witness" Defined**: A medical witness is a person who by profession is a physician or surgeon, holding an M.D. or D.O. degree, psychologist, optometrist, dentist, or podiatrist, licensed by the State of California or within the jurisdiction where the person practices.

(c) **Late Submission of Medical Reports**: Medical reports submitted subsequent to the filing of the Party's Prehearing Statement but still within the 180-day jurisdiction shall be admitted and considered by the Hearing Officer only upon a showing of good cause. The Party requesting admission of such a medical report shall address the request to the Hearing Officer assigned to the case and send a copy of the request to opposing counsel, or, if no counsel, then to the opposing Party. The request shall state the reason the medical report was not timely produced. The Hearing Officer shall have the power to rule on such a request.

"Good Cause" may be established by a medical witness comment in the late submitted report or in a subsequent written report or in testimony produced at a Hearing.

If a late submitted medical report is admitted into evidence, the other Party shall have the right to a continuance to engage in further discovery, obtain rebuttal medical evidence, and/or cross-examine the medical witness. If a continuance is beyond the 180-day jurisdiction of the Hearing Officer, then a new Hearing Officer shall be assigned, and all issues will be heard anew.

RULE 18. FORMAL HEARING - ORAL TESTIMONY OF MEDICAL WITNESSES

(a) **Hearings:** Oral testimony of a medical witness on direct or cross-examination, for purpose of the Formal Hearing, shall be taken at a Hearing set at a reasonable time as requested by the medical witness in the office of the medical witness, or such other reasonable place requested by the medical witness. If the Parties and the Hearing Officer so agree, the Hearing Officer need not attend such a Hearing and the Hearing Officer shall consider the transcript of the testimony of a medical witness as evidence in reaching the recommended decision. Hearings for oral testimony of medical witnesses for any purpose shall take place before the first day of the Formal Hearing.

(b) **Depositions:** Prior to the scheduled Formal Hearing, the Deposition of a medical witness may be taken before the Hearing Officer. The Deposition shall be scheduled at a reasonable time as requested by the medical witness. The Deposition shall take place in the office of the medical witness, or such other reasonable place as requested by the medical witness. If the Parties and the Hearing Officer so agree, the Hearing Officer need not be present at such a Deposition. Depositions of medical witnesses for any purpose shall be taken before the first day of the Formal Hearing.

(c) **Subpoenas and Fees:** Issuance of a Subpoena for a medical witness's attendance at a Hearing or Deposition shall be contingent on the Party accepting the obligation to pay the medical witness.

(1) The Party requesting oral testimony of a treating physician shall advance to the treating physician such fees and mileage as Government Code section 68093 prescribes for ordinary, non-expert witnesses in superior court. If the Party requesting oral testimony of a treating physician intends to question the physician as to the physician's expert opinion, the Party requesting the oral testimony

Exhibit A: Page 51

shall advance to the medical witness an expert witness fee.

(2) The Party requesting the oral testimony of a medical witness that is not the Applicant's treating physician shall in all cases arrange in advance to pay the medical witness an expert witness fee. The witness shall be entitled to claim an expert witness fee on the same conditions that such a witness would be entitled to claim under Government Code section 68092.5 if subpoenaed to testify in a civil action or proceeding.

(3) When Payment of an Expert Witness Fee is Required. The Party requesting the oral testimony shall contact the office of the medical witness and determine the witness's reasonable and customary hourly fee and shall advise the office of the medical witness of the anticipated length of the Deposition or Hearing as to hours in duration. An agreement on the medical witness's fee, based on the witness's reasonable customary rate and anticipated length of the testimony, shall be entered into with the medical witness at least ten (10) days in advance of the Deposition or Hearing. If a balance is due following the testimony, the Party requesting the oral testimony shall pay the balance upon receipt of an itemized statement.

(4) Failure to Serve Subpoena. Failure to serve a Subpoena and/or pay the prescribed witness fee in advance may be treated by the Hearing Officer and Board as a waiver of the right to question such witness. Failure to enter into an advance agreement to pay to an expert witness fee will be deemed a waiver of the right to question the expert witness or to require the expert witness's appearance at the Deposition or Hearing and any Subpoena which may have been issued to compel the expert witness's attendance shall be canceled and shall be of no further

force or effect. Service of the Subpoena and payment of the fee may be made by mail if the witness so agrees.

(5) Disputes. Any fee disputes between a witness and the requesting Party is independent from any proceeding between the Applicant and SBCERA. Those fee disputes shall be resolved by the requesting Party and the witness in the California courts, not in this forum. The Hearing Officer has no authority or jurisdiction to hear evidence about or decide any such dispute.

RULE 19. FORMAL HEARING - TESTIMONY OF WITNESSES WITHOUT NOTICE

Upon written request made to the Hearing Officer with a copy sent to opposing counsel, or, if no counsel, then to the opposing Party, a witness not listed in the Prehearing Statement may be called to testify provided the Party making the request presents the nature of the expected testimony and a showing that this witness will testify to matters the Party did not know about or could not have reasonably known about at the time the Prehearing Statement was due.

The Hearing Officer shall have the power to rule on the request. If the witness is allowed to testify, the adverse Party shall have the right to a continuance to obtain rebuttal evidence and/or to cross examine the witness. The Party originally calling the witness to testify shall bear the responsibility of insuring the witness's attendance at a further Hearing set for the witness's cross-examination. If a continuance is granted, the Hearing Officer's jurisdiction to hear and complete the case will not extend past 180 days from the notification of selection as Hearing Officer. In the event it is impracticable to continue the date within the 180-day jurisdiction of the Hearing Officer, a new Hearing Officer shall be assigned and all issues shall be heard anew.

A request for resolution shall be served on the witness and other Party. The other Party and the witness involved shall have ten (10) calendar days from the date of the mailing of such a request in which to respond. The response may be accompanied by declarations, a copy of the Deposition transcript if appropriate, a memorandum of points and authorities, and a proposed resolution.

The Hearing Officer shall notify the Parties and the witness involved of the Hearing Officer's resolution of the dispute within twenty (20) calendar days from the date of mailing of the request for resolution of the dispute.

If a deponent or witness refuses to appear at a Deposition or Hearing, refuses to answer questions or otherwise obstructs discovery contrary to the resolution made by the Hearing Officer, upon the request of either Party supported by a declaration as to the facts with proof of service on the adverse Parties and the deponent or witness, and upon the Hearing Officer's determination that good cause has been shown therefore, the Hearing Officer shall refer the matter to the Board with a recommendation that the deponent or witness be held in contempt and that a report of the fact be made by the chairman to a judge of the superior court under the provisions of California Government Code sections 31535 and 25170 - 25175. The Hearing Officer shall serve his/her recommendation on the Parties and the deponent or witness. The deponent or witness shall be personally served with a Subpoena to attend the Hearing before the Board in regard to contempt, a copy of the request of the moving Party, the Hearing Officer's recommendation, and a notice that the Board will consider the Hearing Officer's recommendation following the deponent or witness being given an opportunity to be heard.

(d) The Hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Arguments regarding admissibility may be considered by the Hearing Officer when evaluating the weight of any evidence admitted. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at the Hearing, and irrelevant and unduly repetitious evidence shall be excluded.

(e) Affidavits. A Party wishing to introduce an affidavit into evidence shall include as part of the Party's Prehearing Statement a copy of such affidavit. The affidavit, if introduced in evidence, shall be given the same effect as if the affiant had testified orally. If an opportunity to cross-examine an affiant is not afforded after timely Subpoena is requested and served as herein provided, the affidavit may be introduced in evidence, but shall be given only the same effect as other hearsay evidence.
