

SBCERA Resolution No. 2022-13

**APPROVAL OF EMPLOYER PAY CODES OF EMPLOYEE COMPENSATION
INCLUDED IN COMPENSATION EARNABLE (FOR TIER 1 MEMBERS) AND
PENSIONABLE COMPENSATION (FOR TIER 2 MEMBERS)**

WHEREAS, the San Bernardino County Employees' Retirement Association (SBCERA) Board of Retirement (BOARD) is required by Government Code sections 31461 and 31542, as well as BOARD Benefits Policy No. 26, *Compensation Earnable and Pensionable Compensation*, to determine *compensation earnable* [for Tier 1 members];

WHEREAS, the BOARD is required by Government Code sections 7522.10 and 7522.34, as well as BOARD Benefits Policy No. 26, *Compensation Earnable and Pensionable Compensation*, to determine *pensionable compensation* [for Tier 2 members];

WHEREAS *compensation earnable* is used to determine final compensation and retirement benefits pursuant to Government Code section 31462 or section 31462.1;

WHEREAS *pensionable compensation* is used to calculate final compensation and other retirement benefits pursuant to Government Code sections 31462.05 and 7522.32;

WHEREAS the BOARD may find it necessary from time to time to amend its determinations based on changes made by employers, the Legislature, and the Courts;

WHEREAS, effective January 1, 2013, the legislature adopted amendments to Government Code section 31461's definition of *compensation earnable* in Assembly Bill 340 and Assembly Bill 197 (collectively "AB 197").

Exhibit A: Page 2

WHEREAS, on July 30, 2020, the California Supreme Court filed its decision in *Alameda County Deputy Sheriff's Assn. v. Alameda County Employees' Retirement Assn.*, Cal. Supreme Court Case No. S247095 (review granted March 28, 2018) ("*Alameda*") (the "*Alameda* Decision"). The *Alameda* Decision concludes that all amendments to the definition of Compensation Earnable in Government Code section 31461, enacted as a result of the Public Employees' Pension Reform Act of 2013 and related statutory changes to CERL ("PEPRA"), effective January 1, 2013 are constitutional, and that CERL retirement boards may not be contractually bound or estopped by settlement agreements, board resolutions, or other similar actions, from implementing those amendments. The *Alameda* Decision further determines that CERL retirement boards may not include items in compensation earnable that section 31460's definition of "compensation" or section 31461 require them to exclude.

WHEREAS, the *Alameda* Decision also held that CERL retirement boards have no discretion to include pay items in compensation earnable or pensionable compensation that are excluded under CERL, PEPRA, or other applicable statutes, disapproving statements to the contrary in footnote no. 6 of *Guelfi v. Marin County Employees' Retirement Assn.* (1983) 145 Cal.App.3d 297 (*Guelfi* footnote 6).

WHEREAS, on August 6, 2020, the Board adopted Resolution 2020-5, complying with the *Alameda* Decision's directives.

WHEREAS, SBCERA is to exclude from compensation earnable and pensionable compensation certain benefit types - both "PEPRA Exclusions" and "*Alameda* Exclusions," as those terms are defined and described in Board Resolution 2020-5 and 2020-6, pursuant to Government Code sections 31460, 31461 and 7522.34; and

Exhibit A: Page 3

WHEREAS, this resolution is intended to comply with the requirements of the Internal Revenue Code of 1986, as amended or replaced from time to time and the regulations issued thereunder (the “Code”) as applicable.

THEREFORE BE IT RESOLVED, that effective as of ~~February 3, 2022~~May 5, 2022, the following action is authorized:

The BOARD determines and approves the following employer pay codes of employee compensation set out by separate attachment for each SBCERA participating employer, as *compensation earnable (Exhibits A through L for Tier 1 members) and pensionable compensation (Exhibit M for Tier 2 members) and the separate Exhibit B – Summary of Changes to Pay Codes..*

The Board determines and approves the exclusion of items in accordance with Government Code sections 31461 and 7522.34, and the *Alameda* Decision. The exclusion of any employer pay code(s) from the BOARD’s previous resolution are deemed effective ~~February 3, 2022~~May 5, 2022.

This resolution supplements Resolutions 2020-5, 2020-6, 2020-7, and 2020-9 and supersedes any previous resolutions for employer pay codes of employee compensation.

IN WITNESS WHEREOF, the above Resolution for SBCERA is hereby adopted by the BOARD on this ~~3rd~~5th day of ~~February~~May 2022.

- 1) At the Board meeting on January 6, 2022, the Board of Retirement approved and adopted the recommendation from the hearing officer regarding Laboratory Technologists to include D06 in Compensation Earnable, so long as the standby is taking place at the residence of the hospital. Prospectively, as of January 6, 2022, in line with the approved and adopted hearing officer's recommendation, standby that is rendered at home by the Laboratory Technologist is excluded as compensation earnable; therefore, the employer will be required to create new pay codes to differentiate the pay between that occurring for standby at the hospital versus standby at home.
