RE: Legislative Update – April 2022

General Update

As the Legislature goes into April, policy committee hearings are in full swing. Policy Committees will continue for fiscal bills (bills that have a cost to the state) until April 29. Bills keyed non-fiscal have until May 6 to be heard in policy committee. Following the policy committee deadline, fiscal legislation faces its next hurdle, the fiscal committee deadline on May 20.

Now that case rates are declining, activity in the Legislature has been shifting increasingly towards in-person rather than virtual meetings. Virtual meetings are still occurring, but more legislative staff are working from the "Swing Space" rather than from home, increasing opportunities for in-person lobbying.

SACRS Sponsored Bills

As discussed in previous reports, the various policy proposals to amend the CERL that were approved by the SACRS membership were amended into the two bills below.

AB 1824 (Committee on Public Employment and Retirement) – Committee Cleanup Bill. The bill passed out of the Assembly Public Employment and Retirement Committee unanimously and will be heard in the Assembly Appropriations Committee next.

AB 1971 (Cooper) – CERL Policy Bill. The Legislative Committee Co-Chairs and SACRS lobbying team held a series of discussions with stakeholders on the bill. Based on those discussions and concerns raised by SEIU, the California Professional Firefighters, and the Police Officers Research Association of CA (PORAC), AB 1971 will be amended with various technical clarifications and to strike sections six and eight of the bill. Discussions will continue regarding a couple outstanding items. The bill has not yet been set for hearing in its policy committee.

We will continue to keep SACRS updated as these two bills move through the legislative process.

024

Other Bills of Interest

AB 2493 (Chen) – Orange County Employees Retirement System: Disallowed Compensation. This bill was recently amended with substantive language that allows OCERS to adjust retirement payments based on disallowed compensation for peace officers and firefighters under certain circumstances.

The bill has not yet been set for hearing.

Compensation Earnable Bills – Last session, two bills were introduced relating to compensation earnable - **AB 498 (Quirk-Silva) and AB 826 (Irwin).** As reported in previous updates, AB 826 was gutted and amended in June of 2021with the CERL provisions currently contained in the bill. The bill was placed on the Senate Inactive File in September, where it remains. AB 498 (Quirk Silva) was similarly amended at the end of session last year in September. We have reached out to these offices to inquire about whether these bills will be further amended or brought up for votes later this year. Neither office had any updates at this time. We will periodically check back for further updates.

SB 1328 (McGuire) – **Divestment.** This bill would prohibit all public retirement boards subject to PEPRA from investing public employee retirement funds in a company with business operations in Russia or Belarus, among other requirements.

The bill passed out of the Senate Labor, Public Employment and Retirement Committee and Senate Governmental Organization Committee unanimously. It will go to the Senate Appropriations Committee next.

SACRS has not taken a formal position on the bill but has submitted a "letter of concern" outlining the administrative concerns raised by member systems.

Public Meeting Bills. During the pandemic, public agencies have relied upon the Brown Act flexibilities created via Executive Order and previous legislation to continue to conduct business while keeping the public and members safe. As the pandemic evolves, public agencies continue to recognize the benefits of teleconferencing, and multiple bills have been introduced on the topic this year to continue teleconference flexibilities:

AB 1944 (Lee) – Public Meetings. This bill would eliminate the requirement to post each board member address on public agendas for remote meetings. For public meetings that elect to use teleconferencing, the legislative body would be required to provide a video stream accessible to members of the public and an option for members of the public to address the legislative body remotely during public comment through a video or call-in option.

SACRS is supporting this bill. The bill has not yet been set for hearing in policy committee.

AB 2449 (Rubio) – Public Meetings. This bill would allow a local agency to use teleconferencing for a public meeting if at least a quorum of members of the legislative

Exhibit A: Page 26

body participate in person from a single location that is identified on the agenda and is open to the public within the local agency's jurisdiction, among other requirements.

The bill has not yet been sent for hearing.

SACRS Nominating Committee Mr. Dan McAllister, Chair

Dear Mr. McAllister and Members of the Nominating Committee:

I would like to express my desire to be considered for SACRS' President for 2022/2023.

I have been humbly honored to serve as SACRS President for two years. 2020 was a very difficult year for everyone. SACRS was no exception. 2021 was difficult also as we had to get back on our feet, stand tall and continue with our mission in spite of a "new normal" we faced.

My focus in 2021 for SACRS expanded two original concepts of "Relevance and Sustainability" to "Recovery, Relevance and Sustainability". Within these three concepts, SACRS was able to begin 'recovery' from the pandemic while adhering to health restrictions; remain 'relevant' to the pension community through innovative approaches to education and 'sustainable' by building on technological advances to return to live conference for our members yet also continue to provide quality education through alternative mediums.

Most notably SACRS accomplishments for 2020 and 2021 include, but are not limited to the following:

- Continued communications with 37 Act systems and administrators through SACRS' website and SACRS Magazine
- Presentation of SACRS 2020 conferences in a virtual format without sacrificing quality of speakers, presentations or interactions among trustees, affiliates and staff and "in-person" return in 2021 and Spring 2022.
- Presenting the SACRS Berkeley Education Program in a virtual format with ondemand replays of the classes presented
- Maintaining an active role in the legislative process as it affected county retirement systems

In spite of the pandemic and post pandemic challenges, I am very proud of the work SACRS' Board has accomplished under my leadership. We continue to be productive while recovering and remaining relevant and sustainable for the SACRS membership.

I would be honored to serve another term as President of SACRS. Thank you in advance for your consideration of my candidacy for re-election.

Sincerely,

Vivian Gray

SACRS Nominating Committee Mr. Dan McAllister, Chair

Dear Mr. McAllister,

I would like to express my interest in running as Vice President for the SACRS' Board of Directors for the 2021/2022 year.

I was first elected to the SACRS board in 2020. I am also an elected trustee of the CCCERA Retirement Board (since 2016) and currently serve as CCCERA Board Vice Chair. I appreciate the level of responsibility entrusted to me in looking after our members' retirement plans. I understand the incredible value of a defined benefit plan for my coworkers and our retirees.

I have a long history of dedicated service to my coworkers and union members and I carry this spirit into my role as an elected trustee. My work with SACRS has meant for further education and inspiration from the SACRS organization via its conferences and programs. SACRS has enhanced my abilities to serve as an effective CCCERA trustee.

I desire to continue my service on the SACRS board. Doing so allows me to further promote, protect and build upon pension programs under CERL for county public employees statewide.

Thank you for your time and consideration.

Sincerely and Respectfully,

David J Mac Donald, MD

SACRS Submission for Treasurer

February 9, 2022

Dan McAllister, Nominating Committee Chairman State Association of County Retirement Systems

Re: Letter of interest for SACRS position of Treasurer of the Board of Directors

Dear Mr. McAllister and members of the Nominating Committee,

Thank you for the opportunity to express my interest in the position of Treasurer of the SACRS Board of Directors. I believe that I have the knowledge, experience and motivation to add value to the Board. I am in my second term as the elected Kern County Treasurer-Tax Collector, and I am a 17 year member of the Kern County Employees Retirement Association (KCERA) as a general elected, alternate, and statutory trustee. I have a deep background in public fund investment and retirement plan administration and I am or have been the Treasurer of many organizations and associations.

As the elected Treasurer-Tax Collector, I manage the County's \$4.5 billion treasury pool, provide banking services to over 200 different county agencies and districts, and collect over \$1.3 billion in local property taxes. I am also the Plan Administrator for the County's 457(b) deferred compensation plan with over \$720 million in participant assets.

I am or have been the Treasurer of the following entities: County of Kern; California Association of County Treasurer's and Tax Collectors (CACTTC); United Way of Kern County; Boy Scouts of America Southern Sierra Council; California Statewide Communities Development Authority (CSCDA); and Kern County Management Council.

I have dedicated my career to public service and I am proud to serve the residents of Kern County and the employees of the County of Kern. I am interested in becoming more involved in pension and investment management on a larger scale and I feel that my knowledge and expertise outlined above would make me a good candidate for the Treasurer of the Board. I feel I could bring value to the board while at the same time expanding my knowledge base in pension management and administration.

Attached is my resume for your information. Thank you in advance for your consideration and feel free to call me if you have any questions at 661-204-1510.

Sincerely,

Jordan Kaufman Kern County Treasurer-Tax Collector Deferred Compensation Plan Administrator

Mr. Dan McAllister SACRS Immediate Past President, Nominating Committee Chair State Association of County Retirement Systems (SACRS) 840 Richards Blvd Sacramento, CA 95811

Dear Mr. Dan McAllister:

Please accept this letter of my intent to run for SACRS Board of Directors for the office of Secretary.

My 15 years of leadership experience in the private and public sector makes me an exceptional candidate for SACRS Secretary. My experience serving (1) as an Executive Board member of my employee labor organization; (2) my employment by the Registrar of Voters to ensure accurate and transparent elections for 1.8 million registered Orange County voters; and most importantly (3) my service as a Trustee on the Orange County Employees Retirement System has made me uniquely qualified to serve on the SACRS Board of Directors.

My passion for democracy, organized labor, and accessibility education has been the cornerstone of my career and life. Since I have been elected to the OCERS Board of Retirement, my personal trustee education has been one of my main priorities. Although the last two years has proven to be a challenge for in-person education, I prioritized expanding my knowledge on pensions and legislation.

While attending SACRS Fall Conference in 2021, the level of professionalism and outstanding leadership solidified my desire to be more than a future attendee. In SACRS, I have found an organization that like me, understands the challenge and importance of pensions, education and duty for trustees in the CERL 37 Act Systems. I have shared too many people about the fantastic speakers and the subjects that reach beyond pensions at SACRS.

Using my leadership experience, it is my goal to continue to share all the benefits of SACRS to members, support leadership and to continue to make SACRS the premier pension organization in a changing world.

It would be an honor to serve on the SACRS Board of Directors as Secretary and truly appreciate your consideration.

Sincerely,

Idile Jagaloa

SACRS Submission for General Board Member

VIA Email

Dan McAllister, SACRS Immediate Past President/ Nominating Committee Chair SACRS Nominating Committee

Dear Mr. Immediate Past President/Nominating Committee Chair McAllister,

Please accept this letter as my letter of intent to be a candidate to be re-elected to the position of Regular Member in SACRS Board of Directors Elections 2022-2023.

If re-elected as a Regular Member, I will continue working to ensure that SACRS remain the preeminent educational organization for the CERL 37 Act Systems by maintaining the high caliber of our conferences (both as formal seminars and superb networking opportunities.) I will continue encouraging greater participation from the Trustees and Staff of the 37 Act Systems. I strongly believe in getting involved as demonstrated by my contribution at SACRS' Board meetings and having volunteered to lead a CALAPRS Trustee Roundtable after attending only a few sessions. Over the years, I have served on the governing Boards of the Teamsters Local 1932, the Working Assembly of Governmental Employees and other organizations. Currently, I serve as a Regular Member on SACRS' Board along with being a member of SACRS' Audit and Education committees.

I have been a Trustee with the San Bernardino County Employees' Retirement Association (SBcera) from January 2015 and attended my first SACRS conference that year. I found the sessions to be very informative and educational with the presenters being experts and/or thought leaders in their field. Since then, I have attended several conferences sponsored by other organizations that are single topic focused and I have also completed certification programs at Wharton, Pepperdine, UCLA and Berkeley. In comparison, SACRS conferences provide a comprehensive insight into the "*nuts and bolts*" of the functioning of Retirement Systems with an emphasis on current applications of the topics. SACRS provides attendees an opportunity to understand different perspectives thereby encouraging clearer lines of communication and to also hear about what works and what may be problematic. The networking and information sharing opportunities with colleagues at SACRS' orbit.

SACRS recent expansion of the Board to include additional members was a very good strategic move that has helped to enhance the experience pool and expand the knowledge base. I believe the current SACRS Board is a team exhibiting a very good blend of geography, experience and perspective. Consequently, I would very much like to continue contributing (based on my education and experience) to SACRS - a superlative organization: *"Providing insight. Fostering oversight."*

I thank you in advance for your kind consideration and support. It would be a high honor for me to be re-elected to continue serving as a Regular Member on the SACRS Board for the 2022-2023 term.

Please find attached the completed SACRS nomination form.

Respectfully,

Vere Williams

SACRS Submission for General Board Member

February 25, 2022

Mr. Dan McAllister Chair Nominating Committee State Association of County Retirement Systems

Dear Mr. McAllister,

This letter is to serve as an introduction and to submit my application for the State Association of County Retirement Systems Board of Directors.

I have been working with retirement education since first joining the county of San Diego almost 25 years ago. One of my first educational presentations regarding retirement occurred while I was in the academy with the explanation of deferred compensation and the importance of planning ahead.

Over the past many years, I have been approached and encouraged by my fellow county employees to get involved and help improve communications about retirement. I worked from the retirement committee at the Deputy Sheriff's Association (DSA), then to the retirement chair at the DSA. I have been involved for over 15 years with the County of San Diego Deferred Compensation Advisory Committee. After serving many roles with the DSA and the county of San Diego, I was encouraged to step forward and run for the Board of Trustees at the San Diego County Employee Retirement Association (SDCERA). In 2019 I was elected to the SDCERA Board of Trustees and currently serve as the Secretary.

The support from SACRS has been invaluable for my education as a trustee. The many hours of training that we obtain from SACRS has improved the quality of stewardship for our retirement systems. Additionally, the SACRS support in Sacramento in the form of review and feedback to our legislative branch of government is vital.

My goal is to not only join the SACRS Board of Directors but to contribute to this process of developing and supporting the member county retirement systems. I respectfully request and thank you in advance for the consideration of the Nominating Committee in supporting my candidacy for election to the SACRS Board of Directors.

Respectfully,

David Gilmore SDCERA Trustee

7. SACRS Audit Report – Action

Steve Delaney, Orange CERS, SACRS Audit Committee Chair

A. SACRS 2020-2021 Annual Audit

January 12, 2022

To the SACRS Executive Board,

The SACRS Audit Committee, assisted by Ms. Peterson, met virtually on Friday, December 3, 2021 with representatives of James Marta & Company to review their most recent audit report.

The draft report as presented to us gave an unqualified opinion stating that "the financial statement referred to above presents fairly and in all material respects, the cash receipts and disbursements of the State Association of County Retirement Systems for the years ended June 30, 2021 and 2020 in accordance with the cash basis of accounting..."

In the course of our review, the committee raised two questions which required further review by the audit firm:

1. Under the Cash Receipts columns, the audit reports \$61,108 in revenue for 2020 and \$8,518 for 2021. Similar in amount to an investment tax filing, the committee wanted it confirmed that these numbers were accurate.

Auditors' response: Those figures are correct.

2. On Page 7 of the draft audit, while listing cash receipts and disbursements for the fiscal year ended June 30, 2021, the Cash Disbursement column referenced the Fall of 2018 and Spring of 2019.

Auditor's response: That was a typo error. A corrected and revised version of the draft report was then forwarded.

Assuming those would be the responses, the committee directed Ms. Peterson to consider the audit report approved and ready for submission to the Board of Directors upon correction by and receipt from James Marta & Company.

The committee also suggested that the Board of Directors revisit its investment program. While not having a strong opinion, the committee questioned if the Cal Trust Medium Term Fund was the best vehicle for those monies.

Respectfully submitted by,

Steve Delaney

INDEPENDENT AUDITOR'S REPORT

Board of Directors State Association of County Retirement Systems Sacramento, California

Report on the Financial Statement

We have audited the accompanying statement of cash receipts and disbursements, of the State Association of County Retirement Systems (SACRS) for the fiscal years ended June 30, 2021 and 2020, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of this financial statement in accordance with the cash basis of accounting described in Note 1; this includes determining that the cash basis of accounting is an acceptable basis for the preparation of the financial statement in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statement that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the cash receipts and disbursements of the State Association of County Retirement Systems for the years ended June 30, 2021 and 2020, in accordance with the cash basis of accounting described in Note 1.

Basis of Accounting

We draw attention to Note 1 to the financial statement, which describes the basis of accounting. The financial statement is prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statement as a whole. The Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, Graphical Presentation of Cash Disbursements, and Conference Summary Report, on pages 7 to 12, are presented for purposes of additional analysis and are not a required part of the financial statement.

The Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, and Graphical Presentation of Cash Disbursements, on pages 7 to 11, is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statement. Such information has been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Combining Statement of Cash Receipts and Disbursements, Graphical Presentation of Cash Receipts, and Graphical Presentation of Cash Disbursements, on pages 7 to 11 is fairly stated in all material respects in relation to the financial statement as a whole.

The Conference Summary Report, on page 12, has not been subjected to the auditing procedures applied in the audit of the basic financial statement, and accordingly, we do not express an opinion or provide any assurance on it.

Restricted Use

This report is intended solely for the information and use of management and the board of directors of State Association of County Retirement Systems and is not intended to be and should not be used by anyone other than these specified parties.

STATE ASSOCIATION OF COUNTY RETIREMENT SYSTEMS

NOTES TO THE FINANCIAL STATEMENT

FOR THE FISCAL YEARS ENDED JUNE 30, 2021 AND 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. ORGANIZATION

State Association of County Retirement Systems (SACRS) is a not-for-profit association of 20 California county retirement systems, enacted under the County Employees Retirement Law of 1937. SACRS was formed in the early 1970's to provide forums for disseminating knowledge of, and developing expertise in, the operation of county retirement systems existing under current law, as well as to foster and take an active role in the legislative process. To accomplish SACRS' mission of addressing issues of importance to members, SACRS, contracting with Sulema Peterson & Associates, provides a variety of association management services, including three magazines a year, membership directory, semi-annual conferences, and oversight of SACRS.org. The Association is supported primarily through membership dues and conference fees.

B. BASIS OF ACCOUNTING

The accompanying financial statement has been prepared on the cash receipts and disbursements basis of accounting, which is a basis of accounting other than generally accepted accounting principles. Under that basis, the only assets recognized are cash and investments, and no liabilities are recognized. All transactions are recognized as either cash receipts or disbursements, and noncash transactions are not recognized. The cash basis differs from generally accepted accounting principles primarily because the effects of outstanding dues and obligations for assessments unpaid at the date of the financial statement are not included in the financial statement.

The Board of Directors has elected to use the cash basis of accounting for this entity given the nature of its receipts and disbursements: revenue is almost always received and earned in the same period (e.g. at the beginning of the year for annual memberships, and shortly prior to events for conference attendance) and most expenses are incurred evenly over the year, with the exception of the billing for the conference hotel expense. Financial results by conference are presented in the Conference Summary Report in the Supplementary Information section of this document.

C. INCOME TAXES

The Association is exempt from federal and state income taxes under Section 501(c)(4) of the Internal Revenue Code and Section 23701f of the California Revenue and Taxation Code.

D. CONTRACTUAL AGREEMENTS

The Association has entered into various contractual agreements for professional services. These agreements include compensation for services rendered to the Association.

E. COMPARATIVE DATA

Comparative data for the prior year have been presented in certain sections of the accompanying financial statement in order to provide an understanding of changes in the Association's financial position and operations.

STATE ASSOCIATION OF COUNTY RETIREMENT SYSTEMS

NOTES TO THE FINANCIAL STATEMENT

FOR THE FISCAL YEARS ENDED JUNE 30, 2021 AND 2020

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

E. COMPARATIVE DATA (CONTINUED)

Since SACRS uses the cash basis of accounting, the timing of events and the ultimate settlement of bills may vary from year to year. For example; the Spring conference costs could be settled by June (by year end) or be extended into the subsequent year. Also the timing of events could affect when payments are made from year to year. Payments after year end will be paid out of the surplus generated out of the prior year conference receipts. So the surplus cash at year end may have future demands for prior expenses. Management prepares a conference summary report that reconciles these payments when settled; this report is presented as supplementary information.

2. CASH AND INVESTMENTS

Cash and Cash Equivalents

SACRS considers short-term highly liquid investments to be cash equivalents provided that they are both readily convertible to cash and had an original maturity of three months or less when purchased. The balance in cash and cash equivalents at June 30 include:

| | 2021 | 2020 |
|---------------------------------|-----------------|-----------------|
| Bank accounts | \$ 255,570 | \$ 208,515 |
| Money market accounts | 799,341 | 798,113 |
| Total cash and cash equivalents | \$ 1,054,911 | \$ 1,006,628 |

Cash in bank accounts at June 30, 2021 consisted of the following:

COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

Board of Directors State Association of County Retirement Systems Sacramento, California

We have audited the financial statement of the State Association of County Retirement Systems (SACRS) for years ended June 30, 2021 and 2020, and have issued our report thereon dated January 13, 2022. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated June 4, 2019, our responsibility, as described by professional standards, is to form and express an opinion about whether the financial statements that have been prepared by management with your oversight are presented fairly, in all material respects, in accordance with the cash basis of accounting described in Note 1 to the financial statement. Our audit of the financial statement does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statement is free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of SACRS solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.

We have provided our report on internal control over financial reporting in a separate letter to you dated January 13, 2022.

Planned Scope and Timing of the Audit

We conducted our audit consistent with the planned scope and timing we previously communicated to you.

⁷⁰¹ Howe Avenue Suite E3, Sacramento, California 95825 Phone: 916-993-9494 Fax: 916-993-9489 e-mail: jdeol@jpmcpa.com www.jpmcpa.com

Compliance with All Ethics Requirements Regarding Independence

The engagement team, others in our firm, as appropriate, and our firm, have complied with all relevant ethical requirements regarding independence.

We follow the AICPA Ethics Standard Rule 201C, in conjunction with this, we annually review with all engagement staff potential conflicts and obtain a conflict certification. In addition, we inquire on each engagement about potential conflicts with staff. We have not identified any relationships or other matters that in the auditor's judgment may be reasonably thought to bear on independence.

Qualitative Aspects of the Entity's Significant Accounting Practices

Significant Accounting Policies

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by SACRS is included in Note 1 to the financial statement. There have been no initial selection of accounting policies and no changes in significant accounting policies or their application during fiscal year 2021. No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

Significant Accounting Estimates

Accounting estimates are typically an integral part of the financial statements prepared by management and are based on management's current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management's current judgments. As the accounting of SACRS is prepared on a cash basis, no estimates are necessary for the preparation of the financial statement.

Financial Statement Disclosures

Certain financial statement disclosures involve significant judgment and are particularly sensitive because of their significance to financial statement users. We are not aware of any sensitive disclosures affecting SACRS' financial statement.

Significant Difficulties Encountered during the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

James Marta & Company LLP Certified Public Accountants

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statement as a whole and each applicable opinion unit. We did not identify any uncorrected misstatements as a result of out audit procedures.

In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. See Attachment I for adjustments provided by management.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to SACRS' financial statement or the auditor's report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in the attached letter dated January 13, 2022.

Management's Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with SACRS, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating conditions affecting the entity, and operating plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as SACRS' auditors.

We are contracted to prepare the fiscal year 2021 federal Return of Organization Exempt From Income Tax, and related state filings, as well as the calendar year Forms 1099-MISC for SACRS. These returns will be prepared using audited financial data, where applicable, but our preparation of these returns does not constitute an audit. No audit opinion will be issued on the tax returns referred to above.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING INDEPENDENT AUDITOR'S REPORT

Board of Directors State Association of County Retirement Systems Sacramento, California

We have audited, in accordance with auditing standards generally accepted in the United States of America, the financial statements of State Association of County Retirement Systems (SACRS), as of and for the years ended June 30, 2021 and 2020 the related notes to the financial statement, which collectively comprise the State Association of County Retirement Systems' basic financial statement, and have issued our report thereon dated January 13, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statement, we considered SACRS' internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control. This report is an integral part of an audit performed in accordance with auditing standards generally accepted in the United States of America in considering the entity's internal control. Accordingly, this communication is not suitable for any other purpose.
