To Whom It May Concern:

Pursuant to Government Code Sections 31680, 31680.2 and 31680.6, the County is not permitted to pay compensation to a member retired for service or disability for hours worked in excess of 960 hours in a fiscal year. However, we cannot refuse payment for services rendered.

The above referenced employee is approaching the 960 hours allowed for Returning Retirees within a fiscal year. As of pay period 06/19, this employee has worked a total of 661 hours for FY 2018-2019

The employees future work schedule should be assigned accordingly to ensure the maximum hours allowed are not exceeded.

If the Returning Retiree separates from County employment permanently a Separation Report must be submitted.

If you have any questions or concerns, please contact me at (909) 386-3719. Thank you for your assistance in this matter.

Sincerely,

A handwritten signature in blue ink that reads "Maria J. Alba".
